Dedicated to Richard LaPoint

We extend our thanks and recognition to Richard LaPoint. He has spent most of his life contributing to the community and is still an active and proud Winchester resident. Richard was born March 9, 1937. He spent many of his early years fishing and hunting in what we know as Pisgah Park and that passion continues today. He attended Thayer High School, and in 1953 married Shirley Miner who has been by his side for 59 years. They have five children, 10 grandchildren and 10 great grandchildren.

He has held many jobs over the years and is now retired. He "set bowling pins" at the ELM center before the machines did the work and lost a front tooth due to a flying pin. On snowy nights in the '60's" he could be seen behind the wheel of a town truck plowing the roads. He managed a Gulf station in Keene at the corner of West and Island streets for a limited time. Later he worked in Brattleboro at FiberMark as maintenance

foreman, from where he retired after 35 year.

At the age of 17 he helped to fight his first forest fire in Corbin Park, near Newport, NH. Along with other volunteer fire fighters Richard spent many weekends competing and honing their firefighting skills at musters. The Winchester team brought home many trophies for events like "pumping", "bucket brigade", and "midnight alarm" among others.

In the 1970's Richard, Jackie and Walt Harrison and others saw the need for an ambulance service in town and they formed the Winchester Ambulance service. He along with wife Shirley and other members took first aid classes and became National Registered EMT's and staffed the volunteer ambulance service for years with their skills.

For many years Richard coached youth baseball working with Winchester's young athletes enjoying America's favorite pastime. After each game, win or lose, Richard treated the team to ice cream at the creamy cone.

He is one of the longest active members in the Winchester Fire Department and was awarded a lifetime membership in the department. His children remember Dad coming home in the middle of the night after battling the Main Street fire in sub-zero weather in 1971. He walked through the front door with his fire coat covered with a sheet of ice. He slipped the coat off and it kept its form standing straight up supported by the ice. The fire fighters stood on the river's ice that night trying in vain to save Main Street. Many times Dad came home exhausted after a fire or traffic accident with a distressed look on his face. But when the bell sounded again we all knew he would jump from the chair and rush off to help those in need. He is a man with a big heart and always willing to help anyone anytime.

He is also a Deputy Forest Fire Warden for the state on New Hampshire and is now assistant to the Emergency Management Director in Winchester. Richard is well respected by his peers and served as Fire Chief for many years. You may still see him waving from the big red trucks or marching with the unit in parades.

Richard has countless hours devoted to Winchester, the community he loves. He always offers up a smile when greeted and dose this work for the joy of helping people and the community. So if you see him give him back a smile, a wave and a big Thank You!

**TOWN MEETING WARRANT
SB2
TOWN OF WINCHESTER
STATE OF NEW HAMPSHIRE**

To the inhabitants of the Town of Winchester, in the County of Cheshire in said state, qualified to vote in Town affairs:

You are hereby notified to meet in the Town Hall in said Winchester on Saturday the 4th of February next 2012 at nine o'clock in the forenoon to discuss, debate and amend warrant articles #1 through #41 and to receive the reports of the selectmen, town treasurer and other town officers including the agents and committees, and act thereon. Final vote will be by the official ballot on Tuesday, March 13, 2012.

You are hereby notified to meet in the Town Hall in said Winchester on Tuesday the 13th of March next 2012 at eight o'clock in the forenoon to act upon the following subjects. The Polls not to close an hour earlier than seven of the clock in the afternoon.

Warrant Article 1: To choose all necessary Town Officers for the ensuing year.

Warrant Article 2: Shall the Town of Winchester raise and appropriate as an operating budget, not including appropriations by special warrant articles and other appropriations voted separately, the amounts set forth on the budget posted with the warrant or as amended by vote of the first session, for the purposes set forth therein, totaling \$2,946,475.00 (two million, nine hundred forty six thousand, four hundred seventy five dollars)? Should this article be defeated, the default budget shall be \$3,649,826.00 (three million, six hundred forty nine thousand, eight hundred twenty six dollars) which is the same as last year, with certain adjustments required by previous action of the Town of Winchester or by law or the governing body may hold one special meeting, in accordance with RSA 40:13, X and XVI, to take up the issue of a revised operating budget only. (Majority vote required)

- ♦ The \$2,946,475.00 budget figure does not include the Sewer or Water department operating budgets. The \$3,649,826.00 default budget figure does include the Sewer and Water departments because the default budget is based on last year's figures when those departments were included in the Town budget.
- ♦ Not recommended by the Board of Selectmen 5-0
- ♦ Recommended by the Budget Committee 9-1, 1 abstention

Change to read: Shall the Town of Winchester raise and appropriate as an operating budget, not including appropriations by special warrant articles and other appropriations voted separately, the amounts set forth on the budget posted with the warrant or as amended by vote of the first session, for the purposes set forth therein, totaling \$3,071,587.00 (three million, seventy one thousand, five hundred eighty seven dollars)? Should this article be defeated, the default budget shall be \$3,649,826.00 (three million, six hundred forty nine thousand, eight hundred twenty six dollars) which is the same as last year, with certain adjustments required by previous action of the Town of Winchester or by law or the governing body may hold one special meeting, in accordance with RSA 40:13, X and XVI, to take up the issue of a revised operating budget only. (Majority vote required)

- ♦ Recommended by the Board of Selectmen 5-0
- ♦ Recommended by the Budget Committee 8-1

Special Warrant Article 3: To see if the Town will vote to raise and appropriate the sum of \$299,430.00 (two hundred ninety nine thousand, four hundred thirty dollars) for the operations of the Sewer Department, the funds to be raised by user fees, or act in any manner thereon. This article will not affect taxation. (Majority vote required)

- ♦ Recommended by the Board of Selectmen 5-0
- ♦ Recommended by the Budget Committee 8-1

Special Warrant Article 4: To see if the Town will vote to raise and appropriate the sum of \$238,372.00 (two hundred thirty eight thousand, three hundred seventy two dollars) for the operations of the Water Department, the funds to be raised by user fees, or act in any manner thereon. This article will not affect taxation. (Majority vote required)

- ♦ Recommended by the Board of Selectmen 5-0
- ♦ Recommended by the Budget Committee 8-1

Warrant Article 5: To see if the town will vote to raise and appropriate the additional sum of \$100,000.00 (one hundred thousand dollars), for the purpose of funding the Transportation Enhancement sidewalk project approved at the March 2010 Town Meeting under Article 4, involving reconstruction of the west side downtown Main Street sidewalks and installation of new sidewalks from downtown to Kulick's Shopping Center, \$80,000.00 (eighty thousand dollars) to come from the Transportation Enhancement grant and \$20,000.00 (twenty thousand dollars) to be paid for in taxes. Further to authorize the Board of Selectmen to borrow \$80,000.00 (eighty thousand dollars) in anticipation of receipt of the grant payment, in accordance with RSA 33:7-b. This article is contingent on the Town receiving the \$80,000.00 (eighty thousand dollars) additional money from the Federal Transportation Enhancement Grant, which the Town is hereby authorized to accept, the remaining \$20,000.00 (twenty thousand dollars) to come from taxation. (3/5 majority vote required)

- ♦ Recommended by the Board of Selectmen 3-2
- ♦ Not recommended by the Budget Committee 6-5

Warrant Article 6: To see if the town will vote to ratify the decision of the Board of Selectmen and to authorize the acceptance of a COPS grant, providing the full cost (salary and benefits) to hire a Youth Aid Officer for 36 months with federal funding up to the amount of \$201,587 during the calendar years 2011, 2012, and 2013, conditioned upon the Town funding the Youth Aid Officer position for one additional year (2014), and no reduction in the police force during the years of the grant. The failure of either condition would result in the town repaying to the federal government all funds expended under the grant. Further to raise and appropriate \$56,000.00 (fifty six thousand dollars) for the purpose of funding this position with said amount to be offset by receipt of the COPS Grant and no amount to be raised from taxation. (Majority vote required)

- ♦ Recommended by the Board of Selectmen 5-0
- ♦ Recommended by the Budget Committee 5-4

Warrant Article 7: To see if the Town will raise and appropriate \$56,000.00 (fifty six thousand dollars) necessary to repay the COPS grant funds if Warrant Article 6 authorizing the acceptance of the grant is rejected. If Warrant Article 6 passes, this article will be passed over. (Majority vote required)

- ♦ Recommended by the Board of Selectmen 4-1
- ♦ Not recommended by the Budget Committee 8-2, 1 abstention

Warrant Article 8: To see if the Town will vote to create a non-lapsing Capital Reserve Fund under the provisions of RSA 35:1 for the purpose of repairing and/or future upgrades, structural or mechanical, to the Conant Library, and raise and appropriate the sum of \$50,000.00 (fifty thousand dollars) to be placed in this fund, with the Board of Selectmen being the agent of said fund, or act in any manner thereon. (Majority vote required)

- ♦ Recommended by the Board of Selectmen 5-0
- ♦ Recommended by the Budget Committee 10-0, 1 abstention

Warrant Article 9: To see if the Town will vote to create a non-lapsing Capital Reserve Fund under the provisions of RSA 35:1 for the purpose of paying the Fire Mutual Aid System's assessment of cost to the Town of Winchester, and raise and appropriate the sum of \$35,000.00 (thirty five thousand dollars) to be placed in this fund, with the Board of Selectmen being the agent of said fund, or act in any manner thereon. This was previously billed through the County budget. (Majority vote required)

- ♦ Recommended by the Board of Selectmen 5-0
- ♦ Recommended by the Budget Committee 9-2

Change to read: To see if the Town will vote to create a non-lapsing Capital Reserve Fund under the provisions of RSA 35:1 for the purpose of paying the Fire Mutual Aid System's assessment of cost to the Town of Winchester, and raise and appropriate the sum of \$1.00 (one dollar) to be placed in this fund, with the Board of Selectmen being the agent of said fund, or act in any manner thereon. This was previously billed through the County budget. (Majority vote required)

- ♦ Recommended by the Board of Selectmen 5-0
- ♦ Recommended by the Budget Committee 7-2

Warrant Article 10: To see if the Town will vote to raise and appropriate \$28,450.00 (twenty eight thousand, four hundred fifty dollars) to be placed in the Capital Reserve Fund established under Article 16 at the 2006 Town Meeting for the purpose of performing the assessing update or revaluation of the real estate in the Town of Winchester scheduled for 2014-2015. (Majority vote required)

- ♦ Recommended by the Board of Selectmen 5-0
- ♦ Recommended by the Budget Committee 10-0, 1 abstention

Warrant Article 11: To see if the Town will vote to raise and appropriate the sum of \$10,000.00 (ten thousand dollars) for the Town's share of State road grant reconstruction costs for bridges and place it in the non-lapsing Capital Reserve Fund established at the March 2006 Town Meeting under Article 19 for that purpose. (Majority vote required)

- ♦ Recommended by the Board of Selectmen 5-0
- ♦ Recommended by the Budget Committee 5-4

Change to read: To see if the Town will vote to raise and appropriate the sum of \$20,000.00 (twenty thousand dollars) for the Town's share of State road grant reconstruction costs for bridges and place it in the non-lapsing Capital Reserve Fund established at the March 2006 Town Meeting under Article 19 for that purpose. (Majority vote required)

- ♦ Recommended by the Board of Selectmen 4-1
- ♦ Recommended by the Budget Committee 7-4

Warrant Article 12: To see if the Town will vote to authorize the Selectmen to enter into a 3-year lease/purchase agreement with a non-appropriation clause in the amount of \$26,192.00 (twenty six thousand, one hundred ninety-two dollars), to be paid in 3 (three) annual principal and interest payments of \$8,731.00 (eight thousand, seven hundred thirty-one dollars) for the purpose of purchasing a 2013 Ford Police Interceptor to replace the 2005 Ford Crown Victoria police cruiser, and raise and appropriate the sum of \$8,731.00 (eight thousand, seven hundred thirty-one dollars) for the first year's payment, with \$2,000.00 (two thousand dollars) to be offset yearly by the Police Outside Activity Account, or act in any manner thereon. At the end of the 3-year lease agreement, the Town will buy and own the Ford Police Interceptor for \$1.00 (one dollar). (Majority vote required)

- ◆ Recommended by the Board of Selectmen 5-0
- ◆ Not recommended by the Budget Committee 10-1

Warrant Article 13: To see if the Town will vote to create a non-lapsing Capital Reserve Fund under the provisions of RSA 35:1 for the purpose of benefitting Town residents by providing emergency services and relief, such as housing and food, in the event of a local emergency, and raise and appropriate the sum of \$5,000.00 (five thousand dollars) to be placed in this fund, with the Board of Selectmen being the agent of said fund, or act in any manner thereon. (Majority vote required)

- ◆ Recommended by the Board of Selectmen 5-0
- ◆ Not recommended by the Budget Committee 5-4

Warrant Article 14: To see if the Town will vote to raise and appropriate the sum of \$4,000.00 (four thousand dollars) to support the annual Pickle Festival. (Majority vote required)

- ◆ Recommended by the Board of Selectmen 4-0, 1 abstention
- ◆ Not recommended by the Budget Committee 5-5, 1 abstention

Warrant Article 15: To see if the Town will vote to create a non-lapsing Capital Reserve Fund under the provisions of RSA 35:1 for the purpose of treating exotic invasive plants in Forest Lake, and raise and appropriate the sum of \$3,000.00 (three thousand dollars) to be placed in this fund, with the Board of Selectmen being the agent of said fund, or act in any manner thereon. (Majority vote required)

- ◆ Recommended by the Board of Selectmen 3-2
- ◆ Not recommended by the Budget Committee 8-3

Warrant Article 16: To see if the Town will vote to raise and appropriate the sum of \$1,000.00 (one thousand dollars) for the purpose of adding to the existing Computers Capital Reserve Fund established at the March 2009 Town Meeting under Article 7 for the purpose of future upgrades and/or purchases of the Town's computers and networking system. (Majority vote required)

- ◆ Recommended by the Board of Selectmen 4-1
- ◆ Recommended by the Budget Committee 10-1

Warrant Article 17: To see if the Town will vote to raise and appropriate an amount not to exceed \$18,000.00 (eighteen thousand dollars) to be deposited in the Evergreen Expendable General Care Trust Fund established by an affirmative vote by the 1998 Town Meeting as Article 11; the source of these funds to be withdrawn from the surplus

generated by the perpetual care funds already established for the care and maintenance of lots within the Evergreen Cemetery, and not from taxation. (Majority vote required)

- ♦ Recommended by the Board of Selectmen 5-0
- ♦ Recommended by the Budget Committee 11-0

Change to read: To see if the Town will vote to raise and appropriate an amount Not to exceed \$28,000.00 (twenty eight thousand dollars) to be deposited in the Evergreen Expendable General Care Trust Fund established by an affirmative vote by the 1998 Town Meeting as Article 11; the source of these funds to be withdrawn from the surplus generated by the perpetual care funds already established for the care and maintenance of lots within the Evergreen Cemetery, and not from taxation. Warrant Article 18: To see if the town will vote to raise and appropriate the sum of \$130,000 (one hundred thirty thousand dollars) for the purpose of acquiring Map 5 Lot 103-1, 99 Hawkins Rd., single family home on 3.3 acres. The Town of Winchester's water storage is in a critical state. The current water storage tank was built in 1947. The priority is high for the Town of Winchester to erect a new water storage tank. The Winchester Conservation Commission has purchased 28 acres – Map 5 Lot 103, with elevation appropriate to erect a water storage tank on Meetinghouse Hill abutting the subject property – Map 5 Lot 103-1. By acquiring the Map 5 Lot 103-1 property, the Town of Winchester will facilitate their access to a new water storage tank on the Conservation Commission's land on Meetinghouse Hill. Additionally, acquiring this property would allow the town to discontinue Hawkins Rd. as a town road, relieving the town of the burden of plowing and maintenance. Hawkins Rd. is a steep and windy road accessing just one house.

ADMINISTRATION ANNUAL REPORT FOR 2011

In March 2011, Roberta Fraser was re-elected to a second 3-year term, keeping intact the 5-member Board of Selectmen for another year, which lends continued stability in leadership to the Town. Under the chairmanship of Sherman Tedford, the board strived this year to keep expenses to a reasonable level while completing some much needed maintenance, repairs and projects. A freeze on discretionary spending began April 6th, and the board was able to return \$66,000 to the taxpayers at the end of the 2010-2011 fiscal year. Again, in October, a limit was placed on weekly discretionary spending, and that in turn became a freeze in November, which continued through the end of the calendar year and on into 2012. Cutbacks in State aid to the Town and School plus a substantial rise in the County tax, contributed to this very tight financial situation, and to the 2011 tax rate of \$30.03 per thousand.

Projects – Several projects large and small were completed in 2011: the Old Westport Road bridge and paving; further assessment of contaminated areas at the AC Lawrence tannery site through SWRPC with federal funding and no cost to the town; the installation in the EOC of 3 dedicated telephone lines for drills and emergencies; new fencing at the landfill; work on both town hall chimneys, and re-keying of the exterior doors; new sliding windows and combination locks in the town hall offices; the erection of the cell tower on town land, which brings in monthly rent; the 2010 failed chip sealing on several roads re-addressed under warranty at no cost to the town; and repair and painting of Thayer Public Library. The big on-going project is the Waste Water Treatment Facility update, Phase I of which has reached the “substantial completion” stage. Also the TE sidewalk project which is at the “engineering study” stage. A Master Plan is being developed for the water department, and preliminary engineering plans began for the Old Scotland Road water main upgrade. The Board of Selectmen provided CDBG support for the Winchester Learning Center Project, accepted a COPS grant for a youth aid officer, was awarded federal funding through the NH DOT for future repairs to the Ashuelot Covered Bridge supports, and STAG and SRF funding was approved by the Governor’s Council for Phase II of WWTF improvements, which will begin this spring.

Legal – Beyond the normal reviews of things such as contracts and warrant articles, and advice to various boards on legal issues, the town attorney handles cases in the courts. During 2011, the town settled in one superior court case, prevailed in six other superior court cases, and currently four cases are ongoing in superior court. Of these eleven cases, two were brought by the town against junky yards, and one against an individual for use issues. The remaining nine cases were filed against the town by individuals: two regarding planning board decisions, two regarding zoning board decisions, one regarding a junkyard, one regarding employment, one regarding a Select Board decision, and one regarding a denied abatement application.

Assessing – The assessing office continues to keep track of current use, land use change taxes, excavation intents and reports/taxes, timber intents and reports/taxes, FEMA information, applications for abatements, abatements and rebates, transfers of properties, exemptions, credits and the like. This office also generates the warrants for the collection of taxes, and the MS1 and various other reports to the State. Avitar Associates continues to review 25% of the properties in town on a yearly basis, and conducted a sales/ratio study using market sales which have taken place in town between 10/1/2010 and 9/30/2011. Using that study as a starting point for their own review, the NH DRA determined that the overall equalization for tax year 2011 is 95.8%. Of the 44 abatement applications filed March 2011 for tax year 2010, all were settled with the exception of one case which is in Superior Court and one case which is at BTLA.

Various – In 2011 the perambulation of the Hinsdale/Winchester town line was completed by officers from each town; the Gamache family donated land to expand the South Parrish Cemetery; Roadside Refuge Day was held 6/5 but did not draw out many volunteers to pick up trash; administration personnel attended several workshops, among them: Road Management for Town Officials; State Statutes, DRA Administration of Assessment and Taxation; Current Use; and Procedures for all Boards and Committees. The Hazardous Mitigation Plan update was accepted by the Selectmen as complete, and submitted to the State and FEMA for review. Updated job descriptions, review forms, application forms, volunteer interest forms, were all accepted, as well as new policies, based on the RSAs, for Minutes and Right to Know. The Selectmen welcomed a new police officer and an officer returning from military duty, a new sexton, 3 returning fire fighters, 1 ambulance attendant, and 1 part time water department employee during 2011, in addition to seasonal employees at the beach and cemetery. The board also sent letters of opinion to your representatives, senator, and governor on a number of topics ranging from the possible decommissioning of Vermont Yankee and its effect on employees and towns, to the introduction of a bill to allow auto dealers to register vehicles, to the 15.4% tax increase from the County. They also received a framed Entente Cordial letter of understanding, drawn up between the Hinsdale and Winchester school boards, pledging to endeavor to work together, which is hanging on the back wall of the town hall auditorium. They signed letters of congratulation and thanks to the Ashuelot Village Children's Fund, and a commendation to a life guard for his quick action.

Appreciation – The Board of Selectmen would like to take this opportunity to thank all the employees and volunteers who put forth endless hours of work and service to our community. Community spirit thrives here in Winchester! Special thanks to the citizens and taxpayers for your support in making this year productive. We look forward to your continued support, and hope for a prosperous economy.

*Authorized to Issue Burn Permits Per RSA 227-2:17

General Information:
Credits, Exemptions, Timber, Excavation, Current Use,
Building Permits, Manufactured Housing, Involuntary Merger

Veterans Tax Credits per RSAs 72:28, 72:29-a, 72:35:

An applicant must meet state residency and military service requirements. If a person receiving this credit changes his or her domicile, or a veteran's spouse becomes a widow or widower during the year, a new permanent application must be filed with this office. The town also offers a tax credit for service connected total and permanent disability. The due date for this application is 4/15.

Elderly Exemption, per RSA 72:39-a:

This exemption has three categories: age 65-74, age 75-79, and 80 years of age and older. There are income, asset, and residency restrictions for those applying. The due date for this application is 4/15.

Disabled Exemption per RSA 72:37-b:

There are income, asset, and residency restrictions for those applying. The due date for this application is 4/15.

Blind Exemption per RSA 72:37:

Applicants who are declared legally blind are eligible for this exemption. The due date for this application is 4/15.

Elderly & Disabled Tax Deferral per RSA 72:38-a

This is like a lien on the property. The application is filed at the registry of deeds. There are age and residency requirements. The applicant can defer all or part of the year's taxes. Total amount of tax deferred over the years cannot exceed 85% of the assessed value. The due date for this application is 3/1.

Current Use:

Applicants must meet minimum lot size and other classification requirements in order to receive the current use credit on their land. A penalty tax is applied when the use of the land is changed and it no longer qualifies for current use. The current use application deadline is 4/15.

Intent to Cut Timber:

Prior to each cutting operation every owner must file an intent to cut form with the Selectmen's Office. No cutting shall begin until local and state approval is given. Permits received from the state are to be posted at the site.

Intent to Excavate:

Every owner who intends to excavate earth shall obtain a 155-E permit from the Town and then file a Notice of Intent to Excavate with the assessing officials. This intent must be filed prior to beginning each excavating operation and at the beginning of each tax year (April 1) for continuing operations. There is a fee of \$100 for each original intent filed, made payable to the State of New Hampshire.

Building Permit:

Any person, firm, corporation, municipality, public agency, or institution desiring to operate, maintain, offer for rent, lease, or tenancy any site, lot, field, tract of ground for location of any building, trailer or manufactured housing, or similar conveyance, place, or abode for shelter, or any other form of

development-as defined in the Town of Winchester Zoning Ordinance-shall obtain a written operating (Building) permit from the Board of Selectmen.

A fee to be set annually by the Board of Selectmen and payable to the Town of Winchester is required with the issuance of each permit. When permits are not used within one year from the date of issuance an application for renewal of permit must be made, and, if granted, will entail the payment of a new fee. Where applicable, it would be necessary to have received and to show proof of having received an "Approval of Construction", granted by the NH Department of Environmental Services, Water Supply and Pollution Control Division for the construction of any septic tank system-or, where applicable-a Certificate of Sewer Availability from the Board of Selectmen-before a building permit or permit to park manufactured housing shall be issued.

No building construction may begin before the permit is issued. The building permit application fee is based on the square footage of the structure. New residential construction is based on \$.12 per square foot; renovations are \$.12 per sq. ft., and commercial construction is \$.15 to \$.20 per sq.ft. The minimum fee is \$20.00. Electrical, mechanical, and plumbing permits have a flat fee of \$35.00 each.

A Demolition Permit must be obtained before the demolition and removal of any building. The fee is \$35.00 for this permit.

Manufactured Housing:

Whenever a person moves manufactured housing into a city or town for the purpose of establishing a residence in said city or town, or whenever a person purchases existing manufactured housing with the intent of residing in the same at the existing location, he shall within fifteen days of the placement of the manufactured housing, or within fifteen days of the purchase of the same, register with the assessors of the city or the selectmen of the town where he or she intends to reside. Anyone who fails to comply with the provisions of this section shall be guilty of a violation. (RSA 72:7-B)

Further, it shall be unlawful for any person to move manufactured housing into, out of, or within the Town of Winchester without first obtaining a permit from the Board of Selectmen. The hauler of such manufactured housing shall have the permit in his possession at the time of the move. The granting of such permit shall entail a fee, which shall be set by the Board of Selectmen, not to exceed \$100.00. This does not apply to manufactured housing that passes through the town in transit, both from and to another town. Supplemental information is required, proving that taxes are paid up to date in whichever town it is being moved from, if used, or that the home is brand new from the factory, if new.

Involuntarily merged lots:

If you own real estate lots that were involuntarily merged by municipal action, you may be able to have those lots restored to their pre-merger status. Your property may qualify if two or more lots were merged for zoning, assessing, or taxation purposes and the merger occurred during your ownership without your consent or prior to your ownership if no previous owner consented to the merger. To restore your property to pre-merger status, you must make a request to the local governing body no later than December 31, 2016. Once restored, your properties will again become separate lots; however, they must still conform to applicable land use ordinances. Restoration does not cure non-conformity.

DEFAULT BUDGET OF THE TOWN

OF: WINCHESTER

For the Ensuing Year January 1, _____ to December 31, _____

or Fiscal Year From JULY 1, 2012 to JUNE 30, 2013

RSA 40:13, IX (b) "Default budget" as used in this subdivision means the amount of the same appropriations as contained in the operating budget authorized for the previous year, reduced and increased, as the case may be, by debt service, contracts, and other obligations previously incurred or mandated by law, and reduced by one-time expenditures contained in the operating budget. For the purposes of this paragraph, one-time expenditures shall be appropriations not likely to recur in the succeeding budget, as determined by the governing body, unless the provisions of RSA 40:14-b are adopted, of the local political subdivision.

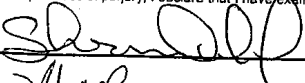

1. Use this form to list the default budget calculation in the appropriate columns.
2. Post this form or any amended version with proposed operating budget (MS-6 or MS-7) and the warrant.
3. Per RSA 40:13, XI, (a), the default budget shall be disclosed at the first budget hearing.

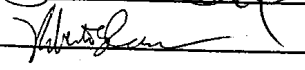

GOVERNING BODY (SELECTMEN)

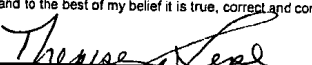

or

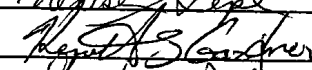

Budget Committee if RSA 40:14-b is adopted

REMINDERS FOR TRUSTEES

1. **SIGNATURES** - Print and sign on lines provided above.
2. **INVESTMENT POLICY** - RSA 31:25 requires the trustees to adopt an investment policy and review and confirm this policy at least annually. A copy of this policy must be filed with the Director of Charitable Trusts (RSA 31:25, 34:5, 35:9).
3. **PROFESSIONAL BANKING AND BROKERAGE ASSISTANCE** - RSA 31:38-a enables you to have a professional banking or brokerage firm assist you in performing your trustee duties. Refer to the law for further information. Attributable expenses may be charged against the trust funds involved, however, please be advised the fees can be taken from income only and not from principal.
4. **WEB SITE** - A trustee handbook can be down loaded from the web site for the Attorney General's Charitable Trust Division. www.doj.nh.gov/charitable.
5. **FAIR VALUE** - Fold and complete page 4 to disclose the fair value (market value) of principal only. This information may be obtained from financial publications or from your professional banker or broker.
6. **CAPITAL RESERVE FUND** - Must be kept in a separate account and not intermingled with any other funds of the municipality (RSA 35:9).
7. **WHEN and WHERE TO FILE** - By March 1 if filing for a calendar year and by September 1 if filing for optional fiscal year. See addresses on page 4 of this form. If you hold funds for the school, the school business administrator will also need a copy for the school's financial report.

REMINDERS FOR TRUSTEES

1. SIGNATURES - Print and sign on lines provided above.

2. INVESTMENT POLICY - RSA 31:25 requires the trustees to adopt an investment policy and review and confirm this policy at least annually. A copy of this policy must be filed with the Director of Charitable Trusts (RSA 31:25, 34:5, 35:9).

3. PROFESSIONAL BANKING AND BROKERAGE ASSISTANCE - RSA 31:38-a enables you to have a professional banking or brokerage firm assist you in performing your trustee duties. Refer to the law for further information. Attributable expenses may be charged against the trust fund involved, however, please be advised the fees can be taken from income only and not from principal.

4. WEB SITE - A trustee handbook can be down loaded from the web site for the Attorney General's Charitable Trust Division. www.doj.nh.gov/charitable

5. FAIR VALUE - Fold and complete page 4 to disclose the fair value (market value) of principal only. This information may be obtained from financial publications or from your professional banker or broker.

6. CAPITAL RESERVE FUND - Must be kept in a separate account and not intermingled with any other funds of the municipality (RSA 35:9).

7. WHEN and WHERE TO FILE - By March 1 if filing for a calendar year and by September 1 if filing for optional fiscal year. See addresses on page 4 of this form. If you hold funds for the school, the school business administrator will also need a copy for the school's financial report.

Winchester Ambulance 2011 Annual Report

The trend of increasing requests for service from the Winchester Ambulance has continued and this past year was no different. During 2011, the number of calls that your Ambulance responded to grew to just over 500. The folks who volunteer on the Ambulance are a dedicated group of your neighbors and friends, who continue to be there when someone from their community needs help. And while we hope no one ever needs our assistance, we are proud to be able to provide life-saving techniques and quality pre-hospital care to help prevent loss of life and reduce pain and suffering, if at all possible.

We have two new members and are very happy to welcome them aboard. If you have always wondered what it would be like to be an EMT, please feel free to contact myself, or any member of the Ambulance crew and we'll be glad to answer any questions you may have regarding the requirements and training. There are usually EMT courses being taught right in this area so training is convenient.

Winchester is pleased to be part of a pilot program in this region involving an attempt to get heart attack patients to a facility that can address appropriate treatment within 90 minutes. Our participation in this program has helped us to understand the heart and its potential problems better, and recognize them quicker by the use of our cardiac monitor. We have had very positive feedback from the medical director at Cheshire Medical Center, including before and after images of patients of ours who met the criteria and were sent to hospitals with a cardiac catheterization lab. The images of the artery being almost completely blocked, therefore not allowing life-saving blood to flow to all parts of the heart, versus the images of that same artery after a stent was inserted, allowing the blood to flow freely again and saving the heart muscle from death are nothing short of awe-inspiring. And to know that we were a part of this event is something that we are very proud of.

We are now equipped with the latest technology for the insertion of an IV in the case of a patient who's circulatory system is in the process of shutting down. Before, if it was not possible to start an IV on a patient who was in dire need of one, the patient was transported to Cheshire Medical Center (typically a 20+ minute transport time, in good weather). Now, we have the ability to use an 'intra-osseous' device (a fancy way of saying 'in the bone'). It looks like a small battery-powered hand drill. And that's pretty much what it is. It has special needles that you can attach and then essentially drill

them directly into a bone and the life-saving IV fluids and medications will be delivered directly to the bone marrow where they will be dispersed throughout the entire circulatory system. Both trucks are equipped with these new tools so that we can continue to deliver fluids and medications to those patients of ours who need it most.

This year brought us two new medications that our EMT-Intermediates can administer. For patients having chest pain, we can now administer nitroglycerin and not have to wait for the arrival of a paramedic from Keene. We are also now able to administer a diabetic medication called Glucagon for those diabetics who are in crisis. With the addition of these two medications, much time can be saved so that the patient doesn't have to wait as long for relief.

Sadly, this year we lost Mary Montgomery. Mary was an EMT with Winchester years ago, and her husband, Ray, has been an EMT with the department for 30+ years. Our deepest sympathies to the Montgomery family for their loss.

Unfortunately, this past year we also lost several of our patients who had become friends of ours and while we were grateful for donations made to the ambulance in memory of these dear folks, we were very sorry for the loss that their friends and families suffered. They will all be missed.

As always, we are grateful for all the support and positive feedback we receive from the residents of Winchester.

Please feel free to contact myself, or any member, with any questions, comments or suggestions. We look forward to hearing from you. We strive to provide the residents and visitors to our area the highest level of emergency medical care possible, and are proud to be able to offer this service.

I'd like to remind our residents to please make sure their house numbers are easily visible from the road. It makes our job that much easier. When you need assistance, it saves time. And time saved can be a life saved.

Finally, we would like to add our congratulations to (Ret.) Fire Chief Dick LaPoint. Well done, sir!

Ashuelot River Local Advisory Committee

Washington Lempster Marlow Gilsum Sullivan Surry Keene Swanzey Winchester Hinsdale

2011 Annual Report

The Ashuelot River Local Advisory Committee (ARLAC) was established in 1994, one year after the Ashuelot River was enrolled into the State Rivers Management and Protection Program. Members are nominated by local municipal officials and appointed by the Commissioner of the NH Department of Environmental Services (DES). We strive to be educated in a broad array of issues associated with the River and its watershed. We hope to be a resource that works well between the interests and concerns of the citizens in the watershed and State authorities.

The volunteer Ashuelot River water quality monitoring program in conjunction with the DES Volunteer River Assessment Program (VRAP) continued for its eleventh season. Twelve sites were sampled along the River's 64-mile length, as well as sites along the South Branch in Swanzey. Analyses were done for temperature, pH, total phosphorus, dissolved oxygen, turbidity, chloride, and conductivity. Contributions from Conservation Commissions along the River and Trout Unlimited added to DES funds to cover costs for testing. ARLAC members, working with community volunteers, participated in a spring training session, leading into a five-month effort of monthly sampling May through September. E. coli samples were obtained June through September. River water quality improvement is noted by a decline in total phosphorus, but E. Coli data continues to be inconclusive. The increasing acidification of the River continues with a trend of lower pH readings. Data can be viewed at <http://des.nh.gov/organization/divisions/water/wmb/vrap/data.htm>.

A mandated task, ARLAC reviews and comments on state permit applications within the River corridor that have potential impacts on the River. This year ARLAC submitted comments on eleven projects proposed in Washington, Gilsum, Keene, and Winchester. Included in those permit reviews were the Mitchell Sand and Gravel asphalt plant in Winchester and the lagoon closure at Paper Service. We also met with Keene's Planning Department to discuss Keene's request for exemptions to the Shoreline Protection Act and continued to advocate for full shoreland protection.

Two projects continuing into next year are the restoration or removal of the West Street Dam in Keene and the Ashuelot River Stream Crossing Improvement Project. Following the City of Keene's discussion on the possible removal vs. restoration of the West Street dam, ARLAC prepared and presented to the Keene City Council and Conservation Commission a Frequently Asked Questions information sheet to further enhance the debate. The second project is spearheaded by Trout Unlimited (TU). After seeking local input, ARLAC provided feedback to TU regarding culvert restoration priorities for improving stream connectivity in the Ashuelot watershed. It is anticipated that removal of three severe barriers to fish passage will begin in 2012.

To further our knowledge of the environment and the River, ARLAC hosted presentations on Floodplain Forests by Dr. Christian Marks of the Nature Conservancy, and on Air Quality in Southwest New Hampshire by Nora Triviss, Keene State College Professor. Dr. Patrick Eggleston also provided interpretation of 11 years of water quality data.

River cleanup took place over two weekends in October. 25 volunteers removed 1,745 pounds of trash from the Ashuelot River in Keene and Swanzey, and Beaver Brook in Keene.

ARLAC meets monthly in the evening of the third Tuesday in Keene. The Local Advisory Committee invites citizens and town officials to contact their local ARLAC representatives with any concerns or input.

Zoning Board of Adjustment 2011 Annual Report

The Zoning Board of Adjustment (ZBA) is an appointed board of five members who rule on requests for variances, special exceptions and equitable waivers from the Zoning Ordinance and decides appeals from administrative decisions. The board generally meets the first Thursday of the month. Please see the town web site at www.winchester-nh.gov for listing of meeting dates, agendas, minutes, applications and procedures.

In 2011 the ZBA responded to eight requests. The board approved three variances, two in reference to setbacks and the other regarding frontage creating additional conservation land. The board approved 2 applications for special exceptions regarding usages of properties. The board denied two requests for rehearings and overturned a decision of the Historic District Commission.

The board lost three longtime members this year. The board thanks them for their years of dedicated service and wishes them luck in their new endeavors. The Board of Selectmen appointed Jason Cardinale, Rebecca Beaman and William McGrath as new members to the board. These members are joining Lou Fox, Chairman and Ken Cole, Vice Chairmen. The board chose two new alternates; Arthur Charland and John Pasquarelli.

Members of the board attended the fall Local Government Center Law Lecture series. All members have been studying various literatures to learn more on being a good ZBA member. The board looks forward to serving the community in 2012.

Administrative duties for the board are handled in the Land Use Office. The hours are 8am-4pm Monday-Thursday. The Land Use Assistant is available to assist the public with any land use issue.

Sincerely,

Lou Fox

Chairman

Town Report 2011**

A total of 96 building permits were issued in 2011. Two permits were for new home construction. The remaining permits were for barns, garages, additions and other small structures. The number of permits also includes electrical, plumbing and mechanical permits.

This year code enforcement actions have increased over the previous year because of “junky yards”. We prevailed in court cases involving these junky yards and are in the process of cleaning up these long standing violations. We will continue to work on cleaning up junky yards and addressing numerous life safety violations on rental properties. Sadly some homes in town are not up to life safety standards. Some of these homes are in need immediate repairs, and some homes I have declared uninhabitable.

The Health Office has responded to numerous septic system failures. We are also assisting a large number of homeless people and families. The dismal economy has affected many Winchester residents and as such this office has had to respond to various issues.

We have also worked with the Board of Selectmen with the Hazardous Mitigation Plan.

Office hours for the Inspector are 10am-2pm Monday - Thursday. The phone number is 603-239-4072 ext.112. Forms and applications are available in the Land Use Office, 8 am – 4 pm.

Dear Board of Selectmen:

You should have recently received your 2011 county tax bill. As we have done in the past, we are providing information specific to your municipality to explain how the County taxes are allocated.

The formula for Winchester's portion of county taxes is based on the town's percentage of equalized valuations including utilities to the overall total equalized valuations for all Cheshire County municipalities. For example, using the data from the information below, 's equalized valuations for 2011, of \$277,839,595, is 3.8416% of the total equalized valuations in Cheshire County of 7,232,407,496. That percentage is then applied against the total dollar amount of taxes to be raised.

The process described above is used by the Department of Revenue Administration in order to calculate the county tax allocation. The tax amounts are calculated and certified by the DRA only after they have received all equalized valuations from the Towns in Cheshire County and the City of Keene and the total amount of taxes to be raised from Cheshire County each year. It is from the DRA's certified Tax Apportionment that the County produces the bills.

Cheshire County Tax Allocation for the Town of 2009-2011:

	<u>2011</u>	<u>2010</u>	<u>2009</u>
Total Cheshire County Equal Valuations	\$7,232,407,496	\$7,270,687,176	\$7,501,353,259
Winchester's Equalized Valuation including Utilities & Railroads*	\$277,839,595	\$251,811,652	\$278,032,228
Winchester's % Proportion to County Tax	3.8416%	3.4634%	3.7051%
Total Cheshire County Taxes	\$23,861,006	\$22,452,755	\$21,174,082
Winchester's Apportionment of County Budget	\$916,643	\$777,625	\$784,530

*DRA uses prior year Equalized Valuations to allocate current year County Taxes.

2011 Report to the Town of Winchester

The Community Kitchen, Inc., is a not-for-profit, direct service agency which provides hot meals, take-home food boxes and advocacy to low and moderate income men, women and families with children in the Cheshire County, NH area. Since its founding in 1983, the Kitchen has served and/or distributed over 13 million meals to people in need.

Our Pantry Program distributes take home food boxes on Wednesdays from 12:30 pm to 5:30 pm and Thursdays from 11:00 am to 4:00 pm. Each box provides approximately three meals per day for three days for each family member. Computerized and handwritten records are kept of family names, number of people, street addresses, income and age. Each family or individual coming in for the first time must fill out a form required by the USDA, and provide back-up documentation for all of the above information.

Total Unduplicated Winchester/Ashuelot Residents Served in 2011: 418

Total Meals in Food Boxes Distributed to Winchester/Ashuelot Residents in 2011: 36,799.

Financial Information:

The actual cost of Pantry meals provided to Winchester/Ashuelot residents by The Community Kitchen for 2011 was \$32,015. Approximately 60% of the items we distribute are donated from local wholesalers, retailers and restaurants. We purchase the remaining 40% from sources such as the NH Food Bank in Manchester, where we are charged \$0.18 per pound.

Hot meals are served Monday through Friday from 5:00 to 6:30 pm at our Mechanic Street location. Meals are prepared by a volunteer crew under the supervision of the Hot Meals Coordinator. Menus are planned after donated food is picked up at supermarkets, restaurants and bakeries. Meals consisting of a meat entrée and a vegetarian/vegan entrée, a salad/salad bar, (3) vegetables, fruit, bread, (2) soups, dessert and beverages are served by volunteers. Everyone is welcome. No Town funds are being requested for this program.

For 2012, The Community Kitchen is requesting an appropriation of \$15,000 to continue to provide food to those in need.

For additional information, please visit our website at www.thecommunitykitchen.org.

We appreciate your support.

85 children participated this year in our summer reading program entitled "Make a Splash – Read!" Mariposa Museum from Peterborough showed us what life is like in Oceania or island cultures through artifacts, stories, music and clothing. University of New Hampshire extension program called Seatrek brought live sea creatures to teach "Rocky Shore" and shells to explain "Who Lives Here". The youngest of patrons enjoyed our pool of balls. Older readers read to "Dakota" a Read-to-a-pet dog from Monadnock Pet Therapy. Summer ended with an animal program from Granite State Zoo and participants received their earned gift certificates to Toadstool Bookshop.

Our website (www.conantlibrary.org) was updated with new pages just for children. Select "Children" on the left side of our website home page. You will find a page with book suggestions for children by age group from age 4 to age 12. There are also pages for homework help; fun; things to do at the library; select videos and parent help.

Renovations to the building include restoration of front door; replacing emergency lighting; updating all our lights with new ballasts. Melanson Roofers made slate repairs; repaired holes in valleys and dormers and sealed metal seams. This followed incidences of leaking on numerous occasions.

We completed our project of replacing our oldest computers with the purchase of two computers through TechSoup, a donation company.

Winchester Conservation Commission

2011 Annual Report

The mission of the WCC is to insure the proper use and protection of all natural resources within the town, including the town's watershed resources.

The WCC manages several parcels of land for the town. Most are designated town forests; two are lands with conservation stipulations. All town lands managed by the WCC are open for recreational purposes, such as hiking, picnicking, snowmobiling, and hunting and fishing where appropriate. A list of these properties can be seen on the Winchester website at www.winchester-nh.gov by going to the Conservation Commission pages.

The WCC is an advisory board only and can offer suggestions or voice concerns to other boards and committees on conservation matters.

The commission may act more directly to protect natural resources by using the Conservation Fund to acquire in the name of the town, and only with the approval of the Selectmen, and after a public hearing, the fee (full title) or a lesser interest in land or water resources. The Fund can be used for transaction costs of easements, to pay for legal fees, and for title searches.

We work to inform the public about the intent and reasons for particular proposals or activities of the conservation commission, and to increase understanding of what the commission is able to do and what it is not.

During 2011, the commission has;

- Reviewed dredge and fill applications in wetlands, and in some cases intervened or requested time to investigate permit applications.
- When local efforts to resolve wetlands violations were not successful, the Commission reported the violations to the wetlands bureau.
- We made comments and recommendations to the planning board on proposed sand and gravel excavation and restoration plans, and reviewed intents to cut timber when wetlands were involved.

- Worked to satisfy requirements of the Society for the Protection of NH Forests before the proposed cell tower could be approved for Meeting House Hill. Work on the tower began in the early spring, and was finished in the fall. The town receives a fee of \$1100 each month from the cell tower owners. This amount will increase as more servers rent space on the tower.
- To get approval for the tower, the WCC attended meetings in Concord with members of the Forest Society and the Department of Justice, had public hearings about the project, paid for a survey of the lands, and most importantly, obtained conservation easements on several acres of adjoining lands,
- Agreed to support the Forest Lake Association with its management plan
- Helped in the planning of the first Winchester Ashuelot River Race.
- Made a donation to the Monadnock Conservancy
- Worked to improve the Forest Lake and Gardner Mountain town properties.
- Assisted Angie and Patrick Dorcus with an ongoing "Access" project in which Winchester 7th and 8th graders (The Youth Conservation Commission/ YCC) took cameras and GPS systems and did some mapping of the trails on the Gardner Mountain property.
- Backed a project by the YCC to produce trail brochures for the Gardner Mountain Trail
- Supported continuing efforts by other conservation agencies and land trusts who share our interest in protecting exceptional land near Mirey Brook, and some important farm lands in the South Parrish area.
- Made periodic visits to monitor the race track currently renting conservation lands which about their track, to ensure that the rules of our contract with them are being carried out properly

WCC meetings are held on the third Thursday of the month at 7pm downstairs in the town hall. The public is welcomed. If handicap accessibility is needed, please call ahead to 239-7552.

Ellen Lambert Murphy Memorial Community Center
Annual Report FY 2010-2011

The E.L.M.M. Community Center would like to express its gratitude and appreciation to our voters and taxpayers for generously subsidizing youth recreation and to the hundreds of adult mentors for volunteering their time to support the children of Winchester and Ashuelot. We would also like to thank everyone for continued patience and understanding during a period of transition at the center.

Summer Camp 2010 hosted 62 youth in grades K-8th in another action-packed, fun filled six weeks of summer activity. Kid's Club, supervised by Trudy Lawrence and supported by a wonderful staff of six adults, coordinated six individual and unique theme weeks for 36 youth in grades K-4th. Each theme week ending in a complementing field trip, offering an explosive end to each week's fun. Field trips included the Southwick Zoo, Mount Kearsage State Park, Salisbury State Reservation, the Surry Mountain Dam, Look Park, and the Ecotarium. The Adventure Crew, led by Nick Raymond, was a summer camp experience specifically designed for the older, more adventurous 5th-8th graders. In addition to the inclusive field trips offered to the K-4th graders, 26 active boys and girls explored the physical challenges of a zip line, white water rafting, rock climbing, hiking and bike riding. For many, these were first time experiences that they will remember forever. The center would like to thank the Hinsdale Swimming Pool for allowing our campers to visit on many a hot day. Also, many thanks to Winchester's Highway Department, Winchester's Fire Department, Lawrence Excavating, Pastor Dennis DeLine, the Thayer Library and Winchester's ACCESS program. Your contribution and support made this summer camp complete.

During the weeks of 2011 winter and spring vacation, many of Winchester and Ashuelot's community leaders made up of parents, grandparents, librarians, board members, VISTA's, school teachers and Scout leaders volunteered to chaperon 67 girls and boys in a variety of activities and field trips. These trips combined to exercise both the mind and body. A few destinations included Granite Gorge, Roll On America (roller skating), Springfield Museums, Boston Museum of Science, and the Higgins Armory Museum. February and April Camps continue to remain important as the hours of organized activity support the working parents of Winchester and Ashuelot.

In 2010-2011, the E.L.M.M. Community Center sponsored a variety of athletic opportunities for children and adults of all ages. Soccer, 41 youth in grades K-6th and 10 adult coach mentors; Baseball, 30 youth in grades K-6th supported by nearly 20 adult mentors fulfilling the roles of an umpire, a coach, assistant coach or team parent; and a 12 week youth bowling

league for youth in grades K-5th. In addition, “youth” in grades 9th and above challenged themselves and their adult teammates in six week summer basketball and summer volleyball programs.

Adult programming varies from year to year with exception of the T'ai Chi class. Adult T'ai Chi participants meet weekly to practice the methods and forms learned and now shared by Carol Poole. Bowling continues to be a part of Winchester's heritage. The E.L.M.M. Community Center's candlepin bowling center sponsors 4 adult bowling week-night bowling leagues. In the spirit of our founding father, these two programs are offered for as little cost as possible for the residents of Winchester and Ashuelot.

The E.L.M.M. Community Center is proud to support two local organizations; WGYB, a parent led coalition aimed at reducing underage drinking and substance abuse, meets bi monthly and call the Community Center home and Cheshire County Fish & Game returned to the “rifle range”, program offerings range from children to adults. In addition, the E.L.M.M. Community Center continues to provide space free of charge to the Girls Scouts of America, Boy Scouts of America, SWCS Woman, Infants and Children's program, SWCS Commodity Foods, HCS Senior Foot and Blood Pressure Clinics, HCS Age In Motion Exercise Class, Winchester's Senior Luncheon and the American Red Cross.

"I hereby dedicate these grounds these buildings to the encouragement of the eternally glorious arts of design, of music, of drama and of the practical handicraft; to the fostering of community ideals and community action; to the development of wholesome sports and recreation; to the dissemination of a spirit of neighborliness, of tolerance in opinions, of civil enterprise and good citizenship".~ Gov. Annual Report of the Emergency Management Director

The year 2011 began with the roar of the lion. FEMA and many state agencies were called in to help with the devastating floods and power outages that were spread across the area. These agencies worked hard to bring the town back to normal.

Winchester and all Emergency Planning Zones (EPZ) completed the installation of the new sirens that include the warning devices for Vermont Yankee.

A new brochure entitled "Preparing for an Emergency" is available at town hall and at emergency services building. This brochure will help folks become more prepared for a natural disaster with basic information about what is necessary to have on hand in the home. We need to prepare families for any type of disaster such as: floods, ice storms, wind storms, tornados and power outages. Being prepared for the unexpected can save lives.

The 2012 calendar by Vermont Yankee is out and has a lot of important information for the general public. It also addresses families with special needs, children in schools or daycare and pets. There are also times and dates listed for the siren testing.

In 2012, there will be more training in the many areas of emergency. Vermont Yankee will continue their drills throughout the coming year. We are also planning for the harsh winter storms and power outages as well as any air born pandemics and other possible emergencies.

At this time, I would like to thank all the Selectmen and Department Heads for the long hours and dedication on the local Emergency Operation Plan (LEOP) and the Hazard Mat Plan. The efforts of everyone involved got the plans in place on time and state approved. As of 11/22/11, we were one of the few towns to get this accomplished on time within the state of New Hampshire.

"So Thank You All. Selectmen, Police Fire & Ambulance Departments."

We are here to help.

WINCHESTER FIRE DEPARTMENT

The Winchester Fire Department would like to thank the residents of Winchester for all the support you continue to give the WFD.

You should all be very proud, as I am, to have such dedicated men and women who serve on the fire department. These volunteers are on call everyday to help keep residents of the town safe.

This year we responded to a wide variety of calls that include public assists, motor vehicle accidents, and house fires. Public assists take on many forms ranging from a cat stuck in a tree to water in the basement, which were heavy this spring due to the weather. We responded to several brush, chimney and structure fires, as well as motor vehicle accidents and downed trees and wires.

The freak Halloween snowstorm kept the Fire Department busy. The firefighters cleaned down trees and wires in the road. We also assisted with traffic control.

I would like to ask all the residents to please have your house number visible from the road so we can assist you in the case of emergency. I would also like to remind you to change the batteries in your smoke detectors when you change your clocks in the fall and spring. Thank you.

Highway Department 2011 Annual Report

This past winter we had a total of 104.5" of snow measured at the highway garage and a total of ten rain /sleet/ ice events. Total amounts of material used were more than 1,000 tons of salt and over 2500 yards of winter sand

Some of the projects that were done this past summer were:

1. Kelly Bridge was completed and the last mile of Old Westport Road was paved
2. Re-do the chip seal project from one year ago, which included Woodard Ave., the first mile of Old Westport Rd., Rabbit Hollow Rd., Ashuelot Street and a mile of Forest Lake Road. All these had fallen apart and we had to redo them this summer. This was covered by the contractor's warranty
3. Paved a 2" base on Scotland Road, from the Spaulding residence to the Riley residence
4. Put a 1" shim coat of pavement on Scotland Road, from the Jones Road to the Nelson farm
5. Put a 2" base coat on Pineywoods Road, from the bridge to Rte. 78
6. Reclaimed the Seminary Road and left as gravel for the winter, with hopes to pave in the spring
7. Shimmied Back Ashuelot Road and Hawkins Road
8. Reclaimed and repaved the end of Verry Brook Rd

The following is a list of regular maintenance projects:

1. Sweeping streets, sidewalks and parking lots in the village district
2. Painting crosswalks, striping parking lots and stop lines
3. Replenishing stock pile of winter sand, which came from our own sand pit, saving taxpayers thousands of dollars
4. Grading all gravel roads, unfortunately we were unable to add gravel or hard pack as needed due to budget constraints
5. Continually unplugging culverts daily for several months due to very active beavers
6. Patching pot holes
7. Shoulder and ditch work
8. Apply calcium chloride for dust control and road stabilization
9. Annual catch basin cleaning and repair
10. Assisted the wastewater treatment facility and water department with raising manhole structures, curb stops
11. Assisted the Town Beach, Transfer Station, Town Hall and Water and Sewer department with projects or any other needs they had that required our equipment, manpower and expertise

If anyone has any concerns regarding our roadways or any other Highway department issues, please contact me at 239-4811 or send me an email at dgray@winchester.nh.gov. The Highway Department personnel and I appreciate your continued support.

Winchester Historic District Commission

2011 TOWN REPORT

The Winchester Historic District Commission's goal is to implement the town's master plan and play a vital part by preserving Winchester and Ashuelot's historical heritage. Our town has a great deal to be proud of regarding its history, and its beauty is reflected in its structures.

The Winchester Historic District Commission is working to document and preserve the town's special character for future generations. Many of the buildings are eligible to be placed on the state and national historic registry. This will allow the homeowners to pursue restoration grants or refunds on their property taxes.

We believe this approach will make it possible for our town's renewal through Heritage Tourism, lowering taxes with an improved downtown environment and promoting a vital & prosperous community that will encourage desirable businesses and professionals to want to locate here. This tried and true method of valuing and promoting a community's history works well to revitalize communities throughout New England and beyond. Research shows that the more a community does to enhance its own special assets, the more people and positive business it will attract.

Please support our efforts and join us at meetings and lectures as we celebrate the continued history of our town. As Edward T. Mc Mahon, former president of Scenic America said, "Growth is inevitable. The ugliness and destruction of community character that so often accompanies growth is not. Communities can grow without destroying the things people love. Beauty, heritage, and environmental quality are good for business."

Planning Board

2011 Annual Report

The Planning Board consists of seven elected members. There are six regular members and an ex officio member, a Selectman. There are also four alternates to the board. Dean Beaman was appointed by the members as Chairman. A member of the board resigned this year due to extensive friction and animosity among board members. Mike Doherty was appointed to fill the seat and is also now the Vice Chairman. The board regularly meets the first and third Monday of each month. The board reviews applications for subdivision, boundary line adjustments, site plan review, and earth excavations. The town web site at www.winchester-nh.gov lists all the meeting dates, schedules and minutes of the board. Applications and regulation are also available on the town web site.

This year continued to be busy with various consultations and requests. The board gave final approval to the asphalt plant application. This application has been plagued by many appeals and is now under appeal in Superior Court. The town has consistently prevailed in these litigation cases as well as others that have come forth. The board denied an extension on a subdivision approval for the condo project on Keene Road and then revoked the approval.

The board updated the Site Plan Review regulations and the Rules of Procedures. Town counsel has reviewed for the board the Site Plan Review regulations, Rules of Procedure and the Zoning Ordinance. Based on these reviews the board will be asking the residents to vote on some housekeeping changes to the Zoning Ordinance. Board members attended the fall LGC law lecture series and other continuing education classes.

The administrative functions of the board are handled through the Land Use Office. The hours are 8am-4pm Monday- Thursday. The office is administered by the Land Use Assistant who is there to assist the public in obtaining applications, copies of regulations or materials, and respond to other land use requests.

2011 statistics:

Subdivisions	3 approvals
Site Plan Review	3 approvals
Lot Mergers	1 approval
Boundary line adjustment	2 approvals
Earth Excavation	3 approvals

Town of Winchester **Police Department** **2011 Annual Report**

Herewith, I proudly present the 2011 Annual Report of the Winchester Police Department. This past year has been a busy, but productive one for your police department. Serving our community with professional distinction is what we have strived for. It has been, and continues to be our passion.

The Winchester Police Department is a full service, fully trained, professional police organization providing twenty-four hour law enforcement services seven days a week.

The Department's mission is to protect and serve the public through service-oriented police interaction. In carrying out this mission, we shall cooperate as a team to assure that the citizens of the Town of Winchester are afforded the best protection and service we can provide, and to establish the Winchester Police Department as a valuable member of the community. Not one day goes by that your police department does not strive to accomplish our mission.

Criminal and adverse social behavior trends this past year have spiked. Incident reports have increased over 21% and arrests have increased by an alarming excess of 40%. Unfortunately the trend appears to have extended well beyond our borders. The Department experienced an officer involved shooting a couple blocks from the center of our town. A sluggish economy, coupled with significant cut backs in State support services, has truly taxed the resources of smaller agencies, with ours being no exception. However, there's nothing like a serious challenge to bring out the best in an agency, and I'm proud to say that has been the state of affairs here.

The Department continues to vigorously and collectively, with outside agencies, prosecute the illegal drug trade in our community. The Department's overall prosecutorial representation has been nothing short of outstanding. Last year I stated that our conviction rates were on the rise. A recent Regional prosecutor case review was conducted (September 1, 2010 through August 31, 2011) of Winchester Police cases submitted. The study revealed a staggering conviction rate of 98%.

The Department applied for, and received, Federal and State grants last year. The grants were for increased Off Road enforcement patrols, and fully funded extra DWI mobile patrols. The department received drug forfeiture monies as well. Our Federally funded Youth Aid program continues to evolve into a very successful program. The Youth Aid Officer is stationed in the school a minimum of ten hours a week and has also fostered a solid partnership with DCYF, Child Advocacy and the 8th Circuit Court Youth Services program in Keene.

The Department was able to upgrade our special weapons inventory by adding seven new M4 .223 caliber Bushmaster Carbine automatic tactical rifles and two new Mossberg gas powered 930 SPX tactical shotguns worth several thousand dollars, at no additional cost to the tax payers.

The officers continue to donate a multitude of hours continuing to renovate the police department and emergency management areas of the Emergency Services building, carrying on our goal of making the facility more task effective and a source of pride for our community.

The Department hired fulltime Officer Kevin Clark this past year. The department is looking forward to putting Kevin's impressive military and educational background to work serving our community.

Commitment starts and ends with the persons charged with performing a task. Your police officers, support staff and Animal Control Officer Gene Park have exemplified being committed to keeping this community a safe community over and over. Times are tough, the crime rate is rising, but be sure of this... we won't let you down. Thank you for providing us the privilege to serve you.

**Town of Winchester
Revitalization/Economic Development Committee
“RED”
Town Report 2011**

The RED Committee is a group of eleven town residents appointed yearly by the Board of Selectmen to work on promoting economic development in the Town of Winchester.

Recently a non profit economic development group was formed in town. The Winchester Economic Development Corporation works in conjunction with the Board of Selectmen and the RED Committee. The advantage of the WEDC is they can apply for grants and other types of funding and not have the red tape a municipality has in dealings. The WEDC focuses on new businesses while RED focuses on existing businesses and the promotion of events and resources.

The RED committee published a business bulletin this year that was mailed to every business in town and also held business to business meetings. These actions work to bring businesses together to discuss ways they can help each other and for the town to find out how they can help the businesses.

Accomplishments this year include: finishing the park on Main Street, promotion of the Ashuelot River by organizing a well attended canoe race, rezoning of the town owned gravel pit on Richmond Road to Commercial, publishing brochures to promote the town commercially and recreationally, continuing with the Main Street sidewalk project, and securing a draft report of a Economic Development Resource Inventory.

The group is always looking for more members and more ideas. Please contact the Town Hall if you are interested. The committee meets during the day once a month at the Town Hall. Please see the town website, www.winchester-nh.gov for dates, times and agendas.

Winchester/Richmond Solid Waste Management District 2011 Annual Report

The NH Department of Environmental Services requires Winchester to monitor the old capped landfill for a period of 30 years. A total of 4 reports are generated and sent to the State annually. This past year marked the half-way point (15 years) with results confirming everything is in good shape. Testing and maintenance includes: check for erosion (loam and seed if needed) surveying settlement platforms, checking and cleaning drainage swales, mowing twice a year, testing surface water and ground water, and methane gas testing.

The following is a list and approximate amounts handled at the Transfer Station:

*Municipal Solid Waste (household rubbish)	1,604.25 tons	Glass	77.00 tons
Co-mingled (tin, aluminum, plastic)	56.09 tons	Metal	80.00 tons
Mixed paper including cardboard	173.70 tons	Tires	3.00 tons
**Construction and Demolition debris	105.49 tons	Waste Oil	900.00 gal.
***Textiles (Planet Aid containers)	4.40 tons	Compost	180.00 c.y.

Again this year we have seen a blatant disregard for rules and regulations governing our brush pit area. Legally we are allowed to accept and burn unpainted and untreated wood, brush or slash less than 5" in diameter. What we find is plywood, pressboard, painted or stained wood, hay, straw, grass clippings, pine needles, glass, metals, plastic, tires and many other illegal materials. Many years ago the town lost the privilege to burn brush and if this happens again all will suffer. Report any illegal dumping of materials to the attendant with their plate number.

Residents in Winchester can take advantage of the household hazardous waste collection days to dispose of items such as lead base paint, antifreeze, pesticides, mercury containing items, charcoal starter, etc. The product can be taken to the Keene Recycling Center on route 12 on days advertised in the Monadnock Shopper and The Keene Sentinel. No cost is charged for this service because it is funded through a grant and a line item in the budget.

Stickers to gain access to the facility are available at both Richmond and Winchester town halls, and at the Transfer Station. The cost is \$20.00 for the first household permit and \$1.00 for other vehicles at the same residence. The stickers are valid from October 1st through September 30th each year.

Transfer Station hours: Tuesday 8-4, Thursday 8-7 Phone: 239-8136

Southwestern Community Services

Over 40 years of people helping people in Cheshire and Sullivan counties

December 9, 2011

SCS Thanks the citizens of Winchester

Southwestern Community Services, Inc. would like to sincerely thank the citizens of Winchester who have been such excellent partners to us in our efforts to serve those families who are in a time of need.

Over the years we have joined together with the town's representatives to deliver a multitude of human services. During the past fiscal year we delivered 2205 units of service to 1021 households within the town. These include, but are not limited to: Head Start, Fuel Assistance, Handicapped Employment, Homeless Services, Family Housing and Elderly Housing.

All told the services total in excess of \$961,663, and it is through the generosity of communities such as yours that SCS is able to pursue the funds necessary to accomplish this.

We look forward to a long and continued good relationship with the people of Winchester and we extend an invitation anyone interested to stop by our offices and to further discuss the services that we are able to offer.

Sincerely,

David W. Osgood

Circulation & Collection Figures – In the past the Thayer Library was inactive. Due to this fact no accurate data was kept. That has changed. In the future a complete report will be made.

Trustees Report

There is a new energy in the air – and it is a positive one! This past year (2011) has seen several changes, including being the recipients of a \$2,000 Children Literacy Fund (CliF) grant. As a result the board received a large collection of children's books, which were presented to the Winchester Elementary School by the CliF Executive Director Duncan McDougall. In addition, CliF & the trustees then presented each of the students at the Ashuelot Headstart Program with two brand new books to take home. The books have been a great addition to the Children's Room. We are still looking to add a colorful rug, beanbag chairs and more BOOKS!

Ours goals for the coming year are to acquire several computer systems (looking for donations) & hook up to the Internet for high-speed access with a copier & fax capabilities. The board is also looking to attract interns that are currently studying library science.

We began the New Year with a garden lecture in April, "Planting in Color" given by Cherie Rowe. We also had a special visit from the New Hampshire Library Trustees Association, to guide the new library board with procedures and updates. This past year we held a local foods festival and invited local farmers to celebrate and highlight local products. We want to thank everyone who contributed, including the Winchester Elementary School artwork & Middle School who baked pies. This was a great success!

We are also grateful to have The Friends of the Thayer Library to assist with fundraising, volunteers and special events. They are working on a wish list of the library needs and looking for local volunteers. The current TFTL Chairman, Jennifer Marie Bellan, would love to hear from you, so please feel free to contact her at: 239-7206

The goal of the new board of trustees is to make the Thayer Public Library a destination on everyone's agenda ~ on a regular basis. We welcome our neighbors to join us in the renewal of the library. We look forward to seeing our neighbors check out books and give us input on ways to improve. The meeting room space is available for classes, workshops, and events. The board would like to increase the hours and are looking for volunteers to assist with the library. Please contact Kim Gordon at 239-7263

To the Citizens of Winchester:

Your Town Clerk/Tax Collectors office continues to be a busy place on a daily basis.

We continue to offer vital record services, providing certified copies of death certificates as well as birth certificates and marriage licenses. The cost is \$15.00 for the first copy and \$10.00 for each additional copy. We also provide Justice of Peace and Notary Republic services.

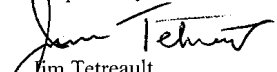

We still handle the transfer station stickers at the tax window. \$20.00 for the first sticker and \$1.00 for each additional sticker. Please remember to bring in your license plate number.

Winchester enjoyed a very active political season with many residents participating in our local deliberative session and election. Thank you to all who give of your time to participate in the process.

The Tax Office also works with residents who may have difficulties paying their water/sewer bill. We hope you will feel comfortable about coming in so we can discuss payment plan options to help you remain current.

We are open Monday through Thursday from 7:00 AM to 5:30 PM. We are pleased to offer these hours so our customers more opportunity to attend to their business.

Respectfully Submitted,

**TOWN OF WINCHESTER
WASTEWATER TREATMENT
FACILITY NHG580404
ANNUAL REPORT 2011**

The Winchester Wastewater Treatment Facility is located at 64 Duso Rd. on 8.3 acres of town owned river front property. Wastewater is conveyed through 7.4 miles of 8-15" sewer mains throughout Winchester and Ashuelot to the extend activated sludge treatment facility, disinfected, dechlorinated and ultimately discharged and reused. During the calendar year of 2010 the treatment facility processed nearly 94 million gallons of wastewater. Both pH and chlorine residuals are tested daily before returning the nearly 82 million gallons of effluent back to one of Winchester's prime natural resources, the Ashuelot River. Data collected and all test results are reported to the monitoring authority, NH DES.

The Winchester Wastewater Treatment Facility has undergone several upgrades including the installation of two new clarifiers with flocculators, the replacement of a new chlorination and dechlorination system with effluent flow pacing ability, a redesigned sludge holding tank, a new generator, new oxidation ditch rotors with dissolved oxygen probes for variable frequency control of rotors, new rotary lobe RAS pumps with influent flow pacing ability, a complete plant wash water system with two new wells, and a new septage receiving facility. Additional upgrades include the installation of a new headworks building which includes an electrical room with new influent screening, grit removal; soda ash feed system, a centrifuge to dewater sludge and pneumatic blowers for aerating the plant sludge holding tank and the septage receiving facility. In September, the Town of Winchester contracted Insituform Technologies to perform Cast-in-place Pipe lining rehabilitation on 1,100 linear feet of sewer main removing inflow and infiltration from the sewer collection system. These upgrades identify the necessary improvements required to maintain the long-term viability of the wastewater treatment facility processes.

In January of 2011, the wastewater treatment facility department and the water department collaborated to share two part time personnel, two full time personnel and the one Superintendent. Sharing resources allows the department to enhance services offered while stabilizing costs to the consumer. Winchester's Wastewater Operators are responsible for all aspects of the sewer collection system including maintenance and daily inspection of all four pump stations; cleaning and repair of all sewer mains; inspections, repair and maintenance of manholes. While additionally offering its resources to assist the Health Officer/Building Inspector with grease trap inspection and the Highway Department with seasonal plowing and road repair.

Normal business hours of the Winchester Wastewater Treatment Facility are Monday through Friday, 7am to 3:30 pm. The department is on call 24 hours a day, seven days a week, for all sewer emergencies. Visitors are welcomed to tour the new treatment facility. Call 239.4132 to schedule and appointment with a Wastewater Operator. Visit <http://www.winchesterwwtp.com/> to view new facility photos and inspection reports.

WINCHESTER WATER DEPARTMENT #2531010 ANNUAL REPORT 2011

The Winchester Water Department is a Community Water System serving a population of 2800 through 1121 residential and commercial service connections. The department diligently works to protect its water resources and consumers through a proactive preventative maintenance design, chemical treatment and mandatory routine sampling.

In fiscal year 2010-2011, the Winchester Water Department delivered 146,155,000 gallons of the finest quality drinking water through nearly 150,000 feet of underground water main to residents in Winchester and Ashuelot. Orthophosphate, sodium hypochlorite and caustic soda are chemicals used at the minimally required levels to maintain and balance organics naturally found in Winchester's water supply and to protect the water lines from excessive corrosion. Well output and water pressure are recorded daily and reported to NH DES. Water samples collected monthly, quarterly and annually are tested for both organic and non organic compounds by contracted laboratories. Data collected is submitted to the department's monitoring authority, NH DES. In October of 2010, the department exceeded the maximum allowable copper limit requiring the department to fulfill a regiment of residential water testing and revise its existing corrosion control plan. Testing results are available at <http://www2.des.state.nh.us/DESOnestop/PWSDetail.aspx?ID=2531010>

In January of 2011 the water department and the sewer department collaborated to share two part time personnel, two full time personnel and the one Superintendent. Sharing resources allows the department to enhance services offered while stabilizing costs to the consumer. In this fiscal year the department connected two new services and rebuilt service connections and distribution lines on Maxwell Ct; Emergency repairs were made to the distribution line on Elm St., Chapel St., Michigan St., Richmond Rd. and Ashuelot Main St; routine maintenance of the fire hydrants and well generators to ensure access to water and power in the event of a fire emergency or a power outage; replaced nearly 400 water meters; rebuilt shelter for well #3 generator; repainted interiors and exteriors of all three wells and assisted the Highway Department with road repair and snow plowing.

Normal business hours of the Winchester Water Department are Monday through Friday, 7am to 3:30 pm. The department is on call 24 hours a day, seven days a week, for all water emergencies.

**REPORT OF THE WINCHESTER SCHOOL BOARD CHAIR, COLLEEN DUQUETTE
2011-2012**

To The Citizens of Winchester:

Over the past year the Winchester School Board has updated and adopted many new policies that guide the daily practice of the school district. These are important to support best educational practices, as well as to ensure the safety of the students and faculty in our school. Each month the Board reviews new policies that the NHSBA recommends as well as those that are required by law for schools districts. A lot of time and thought is given in the review of these policies and how they will impact our school community.

Winchester high school students continue to attend Keene High School and this partnership is going well. Many students are thriving and pursuing secondary education. During the period of time Winchester students have been attending KHS, there have been some challenges along the way. Various issues have led the WSB to provide Saturday detention as well as an afterschool late bus several days a week to help support our students who need after school assistance, attend an extra-curricular activity or other type of support. Unfortunately, due to budget constraints, the Board has recently had to suspend these services. The current Administration meets with SAU 29 Administration regularly and attends the Education Committee meetings of the Keene School Board. The Administration also has a school liaison with Keene High to ensure smooth transitions as well as monitoring students with special needs.

The Winchester School Board supports and encourages all students to complete their education and at times the District has had to be creative. The Board has supported the Administration in allowing some students flexibility while completing their high school diploma while also saving the District money. The Administration has met with these youth and their families to determine what educational program would meet their needs to complete high school.

The Winchester School District has faced some challenging financial times over the last year. Please see the school district web site www.wnhsd.org for further information regarding the deficit. These are not easy times for the District and we want to ensure you that the Board receives and reviews the budget twice monthly and has been up to date on the dire financial situation. The Administration has presented the Board with a plan for the 2010-11 year as well as the current budget cycle.

On July 1, 2011 SAU 94 began to provide services to the Winchester School District. We were fortunate to gain the expertise of Dr. Ken Dassau who acts as the District's Superintendent (part time) and Special Education Director (part time) both positions required by law by the State of New Hampshire. SAU 94 also employs a Business Manager (required by law), a Technology Director and several other very capable support staff to support the SAU services that the District needs. The SAU office is located in the former Ford building. In addition, Dr. Dassau also provides Superintendent/ Special Education services to the Surry School District (SAU 91) which is approximately 6-8 hours a month. The Surry District pays Winchester \$42,000 for these services which is revenue for the Winchester School District. This partnership is going very well and the Winchester School Board hopes this arrangement can continue.

In closing and as it goes, save the best for last. The Board wishes to give it's sincere Thanks to all the teachers and para-professionals who support our student's day in and day out. If you have never seen a Winchester teacher in their classroom, I encourage you to set up a visit. The Winchester professionals go above and beyond daily in their work. They often face many challenges outside of their job descriptions, however they meet these challenges to support students in need so that the youth are able to learn. Every staff member the District employee's deserves kudos and appreciation for all that they do for the children in our community. Thank you all for what you do every day with a positive attitude.

The Winchester School Board generally meets the first and third Thursday of every month at 6:30 in the Winchester School Library. We encourage the community to attend our meetings. If you are unable to attend, please use the District's web site for information and minutes on the Winchester School Board.

REPORT OF THE SUPERINTENDENT OF WINchester School District/SAU 94, DR. KENNETH DASSAU
2011-2012

"Getting your child ready for kindergarten is the indispensable first step in getting him or her ready for college." -
Lynn Fielding

"The drive towards excellence requires that we take measure of where we are and contrast that assessment with where we want to be." - Jim Collins

July 1st 2011 marked the Winchester School District's official separation from SAU 38 and the district's start up as School Administrative Unit 94.

The back half of the Ford Building, located behind the school, has been converted into the new SAU 94 office - easily identified by the beautiful sign mounted to the front of the building. A big thank you to the Winchester School's Director of Building and Grounds, Mr. Don Chamberlain, and his staff for their work in getting the building ready. The front of the building remains a conference area for use by staff and community groups such as CAST (Community and School Together).

My sincere thanks to the staff and community members who have made this administrative team feel welcome.

Get Ready for Kindergarten Winchester

"Getting your child ready for kindergarten is the indispensable first step in getting him or her ready for college." -
Lynn Fielding

On Saturday January 28 the school district held its first Parent Summit. Among the many topics discussed was the birth to five achievement gap.

Nationally the research shows that 40% of students enter Kindergarten with skill below those of a typical 5 year old. In Winchester we have a significant number of our students entering Kindergarten with skills two to three years below those of a typical five year old.

Within the Get Ready for Kindergarten group, Roberta Royce, reported that we *"established a core group of members to identify and locate our pre K children with the determined purpose to engage families in early literacy programs. We propose to distribute books at birth, enrich playgroups with story time, encourage library read aloud events, pizza parties in home child care and center based care facilities to **promote reading 20 minutes a day.**"*

We will collect data to see if our town programs are being used. We will spread the word everywhere we can, anytime we can, any way we can, to share how important it is to read to our children. We then will celebrate our victories - however large or small." (e-mail from R. Royce, Parent Summit speaker and director of the Winchester Learning Center.)

What we know:

Catch up growth is easiest to make early.

It is easiest from birth to kindergarten.

It is more difficult from kindergarten to third grade.

It is more challenging still in middle school.

It is hardest of all in high school.

We spend twice as much on the 40% who are behind as we do on the 60% who are ahead.

According to Balk, Abbott, and Nordberg (2012) a well prepared Kindergartner will be able to:

- Recognize name
- Be very familiar with letters
- Be familiar with numbers
- Be able to count to 10
- Have considerable experience with listening to and discussing stories (**Be read to every day!!!**)
- Be able to sit and attend to a task
- Have considerable exposure to and experience with pencils, crayons, scissors, etc.
- Have a well-developed vocabulary (Talk with your child, answer questions, ask questions).
- Have well developed self-help skills.

Our Kindergarten power standards are located on the kindergarten teacher web page.

The Budget 2012 -2013

District web page at www.wnhsd.org lists the school board budget and budget information. It includes the warrant articles. It also includes responses to frequently asked questions, Support Staff and Teacher contracts, special education information and more. If you do not have web access and are seeking information please call the school at 239- 8061.

A copy of the Warrant Articles is provided in this report. Attached on page 27 and 28 is a budget analysis summary showing the increases in our fixed costs – and the reductions that were made to bring the budget to the school board approved amount.

Deficit 2011. The District at the end of the school year June 2011 had a **deficit** of \$326, 806.77. It is our expectation that the deficit will be addressed through the following actions of the school board: depletion of the special education capital reserve (\$200,000), the application of federal Ed Jobs money (\$100,000) and any unreserved fund balance through the budget restrictions (\$100,000) imposed by the school board. The public is informed of this through warrant **ARTICLE FOUR:** *The voters are advised that the Winchester School District will reduce the FY 11 general fund deficit pursuant to RSA 189:28-a through the use of the special education capital reserve (\$200,000), the receipt of federal Ed Jobs money (\$100,000) and any unreserved fund balance. For informational purposes only.*

Support Staff Contract

ARTICLE TWO: *To see if the Winchester School District will vote to approve the cost item included in the collective bargaining agreement reached between the Winchester School Board and the Winchester Support Staff Association which calls for the following increases in salaries and benefits at the current staffing levels:*

<i>Fiscal Year</i>	<i>Estimated Increase</i>
2012 – 2013	\$17,500.00

*and further to raise and appropriate the sum of **\$17,500.00** for the upcoming fiscal year, such sum representing the additional costs attributable to the increase in salaries and benefits required by the new agreement over those that would be paid at current staffing levels in accordance with the most recent collective bargaining agreement. **The school board recommends this appropriation.***

This is a one- year contract. It provides approximately ten cents to fifteen cents per hour, depending on years of experience, to our support staff personnel. Please vote **YES on Article Two.**

Special Education: Since 1990 the New Hampshire School Board (NHSBA) has passed a perennial resolution urging the U.S. Congress to appropriate funds to pay the cost of implementing IDEA, and to fully fund any additional requirements

in the area of special education. This resolution is supported by the New Hampshire School Administrators Association (NHSAA) and the New Hampshire Association of Special Education Administrators (NHASEA).

The burden of state spending on special education cannot be covered by local revenues unless there is a corresponding increase in local revenues. The system as it exists is set up to penalize local districts for their inability to cover state shortfalls. After all this time I do not believe that even fully funding the forty percent is enough and I'm angry that such a financial burden has been allowed to go on for so shamefully long. It is now time for Congress to act and radically reauthorize the funding of the special education law.

The Winchester School Board has sent an invoice to our federal legislators seeking full funding of the law which would bring the Winchester School nearly one million in additional dollars each year.

District In Need of Improvement (DINI) plan.

The Winchester School continues to be a District In Need Of Improvement (DINI). Within our plan we set a district goal that our students would move from 68% proficiency as determined by state assessment to 80% by the year 2013. Why 80%? Certainly there are many schools within our state and some are our neighbors right next door, that have been able to meet the NCLB/NECAP proficiency measures. Our DINI plan is on line at www.wnhsd.org.

Diane Ravitch, former assistant secretary of education, said that we need to “...***dedicate ourselves to making every one of our public schools a school that is just right for all our children. Yes, it will cost more, but ignorance and neglect are much more expensive.***” The Winchester School District children deserve such a school. Thank you for your support towards making our school one that is “***just right for all our children.***”

Best to you all.

Kenneth R. Dassau, Ed.D.
Superintendent Winchester SAU 94

**REPORT OF THE PRINCIPAL OF WINchester School, JAMES LEWIS
2011-2012**

I am honored to present my annual report for the WINchester School. Our school has continued to embrace changes that have had a positive effect on the overall learning, and general ethos of the school atmosphere. We believe in our community, our school, and our children. I hope you have noticed the new way we refer to the school. I think it is symbolic and proper to accent the “Win” in Winchester School!

Your school focused on several areas during the 2011 calendar year. Generally:

- Keeping our Emergency plans current and well-rehearsed to ensure all children and adults are safe at all times.
- Improving our standardized state test scores
- Providing opportunities for students who may excel in other areas than in a typical classroom setting.
- Reaching out to children in the “Birth-to-Five-years-old” range, to offer them the proper preparation for kindergarten.
- Build on the improving attendance rate
- Involving more families and community in school functions and academics.

And in more detail...

Emergency Plans: Nothing we do at the WINchester School is more important than keeping all 483 students, 118 staff members, and every single visitor safe at all times. We conducted at least one drill each month that school was in session. We practiced both traditional fire drill evacuations as well as in-house drills such as a “lockdown” or “Shelter-in-place.”

In addition, all visitors are expected, and directed, to report to the office to obtain a “visitor’s pass” before they may enter the building. The doors are locked during the school day and anyone coming into the building needs to be permitted access by a lock release, which is activated from the front office.

And to ensure our ability to react quickly to an emergency should it ever start, we even offered a fire extinguisher training to all staff members.

State Scores: We maintain our goal of becoming the best performing school in the state, but realize the effort and focus must be continual from many different areas. Students have indicated they appreciate the use of the classroom SmartBoards and feel they learn more interacting with them over the traditional chalkboard. Teachers claim they can transfer the information to students more effectively with all the SmartBoard options.

We have incorporated the RtI, *Response to Intervention*, model in the school. RtI requires teachers to assess all students at their grade level and determine where the strengths and needs are. The teachers then divide the students into groups based upon their needs, and each teacher focuses instruction on a specific need; that is, a teacher may not be teaching exclusively to his or her homeroom class. For example, once the groups are determined Teacher A would teach to a specific skill, while Teacher B teaches to a different skill and Teacher C a third skill, all based upon the students’ needs. The model is accepted by the state and encouraged by experts around the country.

We continued to acknowledge academic successes throughout the school by our quarterly awards ceremony, our multiplication kickball games, and our strategy to offer an additional Winter Carnival reinforcer to all students who improve on the NECAP.

Additional Opportunities: Your school understands that some students have talents and skills that expand beyond the classroom setting. For this reason the school offered: baseball, softball, soccer, basketball, drama club, band, chorus, and even a town-wide Talent Show to provide a venue for students to marquee their skills. We are always encouraging all citizens of Winchester to come and watch the youngsters of this town show off their extracurricular talents.

Birth to five: Data collection and analysis will consistently indicate that if a child enters kindergarten with fewer academic skills than the average five-year-old, he or she will likely have difficulty catching up to the progress of his or her classmates. Obviously students who enter school behind where he or she should be academically, will require additional supports. The WINchester School is attempting to help parents of children in the birth to five range establish reading routines and encouraging the love of reading. Beginning in December of 2011, we have been seeking names of young children, and we intend to deliver two books from which parents can read to their infants and toddlers. Children who enter kindergarten knowing all the letters of the alphabet, and all the numbers 1 through 10, will be off to an excellent start to their academic career. As I state at the end of every Friday newsletter, “the best way to prepare for kindergarten is to prepare for college.”

Attendance: At the beginning of the 2010-2011 school year, we introduced the attendance-promoting “*Abacus Award*.” The *Abacus Award* is distributed to all students who have had perfect absence during each quarter. At the end of the 2009-2010 school year we recorded 14 students who had perfect attendance. At the end of last year we recorded 92! (FYI - An abacus is a calculating tool used primarily in parts of Asia on which people **count**. We bestow the WINchester School *Abacus Award* to students on whom we can “count” to be in school every day.)

Involving Community: We can never overestimate the importance of family and community involvement in the school. The weekly newsletter recapping the school’s news and activities is sent via email to more than 200 addresses, and a two-sided one-page paper version is placed in several locations throughout the town including the Winchester Town Hall and in Kulick’s Plaza in the hallway by the Laundromat, Rene’s Flower Shop and the Village Hair Salon. We are always encouraging parents to maintain communication with teachers and we are always encouraging citizens to come into the school for a tour, or to volunteer in the office or with staff. The more parental involvement and the more folks we get into school offering to share their skills, the more successful your school will become.

I am pleased with the progress the WINchester School is making, but I am confident the school can do so much more. There is a palpable feeling of attaining success throughout the building. We shall continue to spend the necessary time to effectively collect data to determine where we can improve. If we can count on the support from families and citizens in town, WINchester School and its students will be among the best in the state.

Respectfully submitted,

James M. Lewis
Principal

STATE OF NEW HAMPSHIRE
WINCHESTER SCHOOL DISTRICT
WARRANT FOR 2012-2013

To the inhabitants of the Town of Winchester in the County of Cheshire and the State of New Hampshire, qualified to vote in school affairs:

You are hereby notified to meet at the Winchester School Gymnasium at 7:00 PM on Thursday, February 9th, 2012, to consider the following articles in deliberative session, pursuant to RSA 40:13. The official voting of the business of the School District as determined at the deliberative session and the election of School District Officers will be held at the Winchester Town Hall on Tuesday, March 13th, 2012 with the polls open between the hours of 8:00 A.M. and 7:00 P.M.

ARTICLE ONE: Shall the Winchester School District raise and appropriate as an operating budget, not including appropriations by special warrant articles and other appropriations voted separately, the amounts set forth on the budget posted with the warrant or as amended by vote of the first session, for the purposes set forth therein, totaling \$10,835,479.00. Should this article be defeated, the default budget shall be \$11,554,845.21, which is the same as last year, with certain adjustments required by previous action of the Winchester School District or by law or the governing body may hold one special meeting, in accordance with RSA 40:13, X and XVI to take up the issue of a revised operating budget only. **The school board does not recommend this appropriation. The budget committee recommends this appropriation.**

ARTICLE TWO: To see if the Winchester School District will vote to approve the cost item included in the collective bargaining agreement reached between the Winchester School Board and the Winchester Support Staff Association which calls for the following increases in salaries and benefits at the current staffing levels:

Fiscal Year	Estimated Increase
2012 – 2013	\$17,500.00

and further to raise and appropriate the sum of **\$17,500.00** for the upcoming fiscal year, such sum representing the additional costs attributable to the increase in salaries and benefits required by the new agreement over those that would be paid at current staffing levels in accordance with the most recent collective bargaining agreement. **The school board recommends this appropriation. The budget committee does not recommend this appropriation.**

ARTICLE THREE: Shall the Winchester School District, if article #2 is defeated, authorize the governing body to call one special meeting, at its option, to address article #2 only? (Majority vote)

ARTICLE FOUR: The voters are advised that the Winchester School District will reduce the FY 11 general fund deficit pursuant to RSA 189:28-a through the use of the special education capital reserve (\$200,000), the receipt of federal Ed Jobs money (\$100,000) and any unreserved fund balance. For informational purposes only. **The budget committee does not recommend this appropriation.**

ARTICLE FIVE: To see if the Winchester School District will vote to raise and appropriate up to **\$100,000.00** to be placed in the Special Education Expendable Trust Fund, with such amount to be funded from the June 30 unreserved fund balance available for transfer on July 1. **The school board recommends this appropriation. The budget committee does not recommend this appropriation.**

ARTICLE SIX: To see if the Winchester School District will vote to rescind the adoption of RSA 32:14, which will result in the elimination of the budget committee's role in future school district business? A ballot vote is required. **The school board recommends this appropriation.**

ARTICLE SEVEN: Shall the Winchester School District receive the reports of its agents, auditors, committees and officers?

ARTICLE EIGHT: Shall the Winchester School District vote to transact any other business as may lawfully come before the meeting?

FINAL VERSION: For the BALLOT ON MARCH 13,2012

ARTICLE NINE: Shall the Winchester School District create a planning committee in accordance with RSA 194 C:2 to study the withdrawal from Keene High School and raise and appropriate \$1.00 to hire an economist to study the financial impact of re-opening Thayer High School. Submitted by Petition Warrant Article.
The school board recommends this appropriation. The budget committee recommends this appropriation.

ARTICLE TEN: Shall we adopt the provisions of RSA 40:14-b to delegate the determination of the default budget to the municipal budget committee which has been adopted under RSA 32:14? Submitted by Petition Warrant Article.
The school board does not recommend this appropriation.

FINAL VERSION: For the BALLOT ON MARCH 13,2012

To the inhabitants of the Town of Winchester in the County of Cheshire and the State of New Hampshire, qualified to vote in school affairs:

You are hereby notified to meet at the Winchester School Gymnasium at 7:00 PM on Thursday, February 9th, 2012, to consider the following articles in deliberative session, pursuant to RSA 40:13. The official voting of the business of the School District as determined at the deliberative session and the election of School District Officers will be held at the Winchester Town Hall on Tuesday, March 13th, 2012 with the polls open between the hours of 8:00 A.M. and 7:00 P.M.

ARTICLE ONE: Shall the Winchester School District raise and appropriate as an operating budget, not including appropriations by special warrant articles and other appropriations voted separately, the amounts set forth on the budget posted with the warrant or as amended by vote of the first session, for the purposes set forth therein, totaling **\$11,510,850.27**. Should this article be defeated, the default budget shall be \$11,554,845.21, which is the same as last year, with certain adjustments required by previous action of the Winchester School District or by law or the governing body may hold one special meeting, in accordance with RSA 40:13, X and XVI to take up the issue of a revised operating budget only. **The school board does recommend this appropriation.**

ARTICLE TWO: To see if the Winchester School District will vote to approve the cost item included in the collective bargaining agreement reached between the Winchester School Board and the Winchester Support Staff Association which calls for the following increases in salaries and benefits at the current staffing levels:

Fiscal Year	Estimated Increase
2012 – 2013	\$17,500.00

and further to raise and appropriate the sum of **\$17,500.00** for the upcoming fiscal year, such sum representing the additional costs attributable to the increase in salaries and benefits required by the new agreement over those that would be paid at current staffing levels in accordance with the most recent collective bargaining agreement. **The school board recommends this appropriation.**

ARTICLE THREE: Shall the Winchester School District, if article #2 is defeated, authorize the governing body to call one special meeting, at its option, to address article #2 only? (Majority vote)

ARTICLE FOUR: The voters are advised that the Winchester School District will reduce the FY 11 general fund deficit pursuant to RSA 189:28-a through the use of the special education capital reserve (\$200,000), the receipt of federal Ed Jobs money (\$100,000) and any unreserved fund balance. For informational purposes only.

ARTICLE FIVE: To see if the Winchester School District will vote to raise and appropriate up to **\$100,000.00** to be placed in the Special Education Expendable Trust Fund, with such amount to be funded from the June 30 unreserved fund balance available for transfer on July 1. **The school board recommends this appropriation.**

ARTICLE SIX: To see if the Winchester School District will vote to rescind the adoption of RSA 32:14, which will result in the elimination of the budget committee's role in future school district business? A ballot vote is required.

ARTICLE SEVEN: Shall the Winchester School District receive the reports of its agents, auditors, committees and officers?

ARTICLE EIGHT: Shall the Winchester School District vote to transact any other business as may lawfully come before the meeting?

FIRST VERSION: For the First Deliberative Session on February 9, 2012.

ARTICLE NINE: Shall the Winchester School District create a planning committee in accordance with RSA 194 C:2 to study the withdrawal from Keene High School and raise and appropriate \$5000 to hire an economist to study the financial impact of re-opening Thayer High School. Submitted by Petition Warrant Article.

ARTICLE TEN: Shall we adopt the provisions of RSA 40:14-b to delegate the determination of the default budget to the municipal budget committee which has been adopted under RSA 32:14? Submitted by Petition Warrant Article.

FIRST VERSION: For the First Deliberative Session on February 9, 2012.

DEFAULT BUDGET OF THE SCHOOL

OF: Winchester _____ NH

Fiscal Year From July 1, 2012 to June 30, 2013

RSA 40:13, IX (b) "Default budget" as used in this subdivision means the amount of the same appropriations as contained in the operating budget authorized for the previous year, reduced and increased, as the case may be, by debt service, contracts, and other obligations previously incurred or mandated by law, and reduced by one-time expenditures contained in the operating budget. For the purposes of this paragraph, one-time expenditures shall be appropriations not likely to recur in the succeeding budget, as determined by the governing body, unless the provisions of RSA 40:14-b are adopted, of the local political subdivision.

1. Use this form to list the default budget calculation in the appropriate columns.
2. Post this form or any amended version with proposed operating budget (MS-26 or MS-27) and the warrant.
3. Per RSA 40:13, XI, (a), the default budget shall be disclosed at the first budget hearing.

**WINCHESTER SCHOOL BOARD
DELIBERATIVE SESSION
FEBRUARY 10, 2011**

Moderator, Henry Parkhurst called the meeting to order at 7:00 pm.

School Board Members present: C. Duquette, W. Hildreth, G. O'Neal, J. Gile, K. Whippie

Administration Present: D. Crisafulli, T. O'Connor, K. Dassau, J. Bischoff, J. Lewis,

Board Members, Administration, Town Officials and Attorney Matt Upton were introduced.

Attorney Upton spoke on House Bill 77 which was passed and signed into law by the Governor. SB2 towns can no longer amend an article in a way that deletes the purpose.

K. Gardner advised you still can change the dollar amount.

M. Upton explained you can change the dollar amount, you just cannot delete the purpose.

H. Parkhurst explained the rules of the meeting. H. Parkhurst advised he had a candidates list.

B. Moser advised he wanted to make a motion right now.

H. Parkhurst advised a motion is not in order at this point yet.

B. Moser advised he would wait.

H. Parkhurst announced the School Board candidates for a 3-yr term: William A. McGrath, III, Trevor Croteau, Wendy Hildreth, Valerie Cole

B. Moser MOVED to approve the entire warrant as is.

H. Parkhurst advised he hadn't read the warrant yet. After he has, he will have B. Moser have the motion written out.

B. Moser advised he would write it out.

H. Parkhurst asked that he do that first.

H. Parkhurst read the warrant articles:

To the inhabitants of the Town of Winchester in the County of Cheshire and the State of New Hampshire, qualified to vote in school affairs:

You are hereby notified to meet at the Winchester School Gymnasium at 7:00 PM on **Thursday, February 10th, 2011**, to consider the following articles in deliberative session, pursuant to RSA 40:13. The official voting of the business of the School District as determined at the deliberative session and the election of School District Officers will be held at the Winchester Town Hall on Tuesday, March 8th, 2011 with the polls open between the hours of 8:00 AM and 7:00 PM.

ARTICLE ONE: Shall the Winchester School District raise and appropriate as an operating budget, not including appropriations by special warrant articles and other appropriations voted separately, the amounts set forth on the budget posted with the warrant or as amended by vote of the first session, for the purposes set forth therein, totaling **\$10,500,000**? Should this article be defeated, the default budget shall be \$11,112,784, which is the same as last year, with certain adjustments required by previous action of the Winchester School District or by law or the governing body may hold one special meeting, in accordance with RSA 40:13, X and XVI to take up the issue of a revised operating budget only.

ARTICLE TWO: To see if the Winchester School District will vote to approve the cost item included in the collective bargaining agreement reached between the Winchester School Board and the Winchester Teachers Association which calls for the following increases in salaries and benefits at the current staffing levels.

Fiscal Year	Estimated Increase
2011 - 2012	\$37,306

2012 - 2013	\$57,495
2013 - 2014	\$71,722

and further to raise and appropriate the sum of **\$37,306** for the upcoming fiscal year, such sum representing the additional costs attributable to the increase in salaries and benefits required by the new agreement over those that would be paid at current staffing levels in accordance with the most recent collective bargaining agreement. **(NOTE: Pursuant to RSA 273-A:12, if approved, the terms of this collective bargaining agreement, including the pay plan, but excluding cost of living increases, will continue in force and effect until a new agreement is executed.)** The School Board and the Budget Committee recommend this appropriation.

ARTICLE THREE: To see if the Winchester School District will vote to approve the cost item included in the collective bargaining agreement reached between the Winchester School Board and the Winchester Support Staff Association which calls for the following increases in salaries and benefits at the current staffing levels.

Fiscal Year	Estimated Increase
2011 - 2012	\$8,338

and further to raise and appropriate the sum of **\$8,338** for the upcoming fiscal year, such sum representing the additional costs attributable to the increase in salaries and benefits required by the new agreement over those that would be paid at current staffing levels in accordance with the most recent collective bargaining agreement. **(NOTE: Pursuant to RSA 273-A:12, if approved, the terms of this collective bargaining agreement, including the pay plan, but excluding cost of living increases, will continue in force and effect until a new agreement is executed.)** The School Board and the Budget Committee recommend this appropriation.

ARTICLE FOUR: Shall the Winchester School District, if articles #2 and/or #3 are defeated, authorize the governing body to call one special meeting, at its option, to address articles #2 and/or #3 cost items only? (Majority vote)

ARTICLE FIVE: Shall the Winchester School District receive the reports of its agents, auditors, committees and officers?

ARTICLE SIX: Shall the Winchester School District vote to transact any other business as may lawfully come before the meeting?

S. Tedford asked for the Pledge of Allegiance to be recited.

B. Moser MOVED to approve the warrant as is; SECONDED by: Richard Horton,

B. Moser advised for the record he was also turning in a request for a secret ballot with five signatures on it.

James Tetreault, Town Clerk advised we have a **motion to approve the warrant as is, moved by Brian Moser, SECONDED By: Richard Horton.**

James Tetreault read the Petition as follows: **We five residence and registered voters of the town of Winchester, NH request a secret ballot the 10th of February 2011. Signed by Brian Moser, Rick Horton, Trevor Croteau, Hubert Crowell, Richard Kelton to approve the warrant as is.**

H. Parhurst asked if that was exactly the way it is worded?

B. Moser advised yes.

H. Parkhurst explained with this vote if you vote by secret ballot if you vote yes we're going home.

K. Whippie advised he had an amendment.

H. Parkhurst advised as soon as he gives the instruction. If you vote no it means that we have a lot of discussion to do.

K. Whippie MOVED to amend Article 1 as follows: Shall the Winchester School District raise and appropriate as an operating budget, not including appropriations by special warrant articles and other appropriations voted separately, the amounts set forth on the budget posted with the warrant or as amended by vote of the first session, for the purposes set forth therein, totaling \$11,089,128? Should this article be defeated, the default budget shall be \$11,112,784, which is the same as last year, with certain adjustments required by previous action of the Winchester School District or by law or the governing body may hold one special meeting, in accordance with RSA 40:13, X and XVI to take up the issue of a revised operating budget only;

H. Parkhurst advised that is out of order, but we'll get to it. Mr. Moser has a motion on the floor duly seconded.

T. Sepe wanted to know the money difference from Mr. Moser or the Budget Committee and why he chose to do the \$10,500,000 right now.

B. Moser advised his motion was supporting the recommendation of the Budget Committee which he felt was appropriate and it is also supporting the teachers union and the other unions. Explained those are the things he supports and he thinks that is a reasonable budget for everyone.

K. Whippie asked for a point of order regarding the amendment. Isn't an amendment to the motion in order?

H. Parkhurst advised no. He explained the reason being is that he took one segment out of the whole warrant. Explained we are voting on Mr. Moser's motion. Believe we are voting on the whole warrant; not cherry picking. He asked Attorney Upton if he was correct.

M. Upton explained first of all we need to vote on Mr. Moser's motion to approve the warrant as a whole. If the motion passes, then there would be a secret ballot on the entire warrant. Explained first they needed to decide if they would vote on this in its entirety or take up the articles one by one.

B. Moser advised his intent was not to vote on whether or not. He explained he made a motion to approve the entire warrant as is.

M. Upton explained the majority of the voters here have to agree to take it up as one piece and then you submitted a petition.

B. Moser advised it was done last year the same way.

M. Upton advised the majority of the people here have to agree to vote on the entire warrant and approve your motion.

B. Moser - Why wasn't that done last year?

M. Upton - I think it was.

K. Whippie - I offered an Amendment last year, that's why I'm asking why this Amendment would be out of order.

M. Upton - There should be one motion on the floor at a time. We have a motion to take the entire warrant, which if your motion is accepted, is an implied rejection of this motion. I think we just vote on the motion that Mr. Moser put forward; whether we're going to take the warrant as a whole or whether we're going to go one by one.

B. Moser wanted to clarify that what Attorney Upton was saying was that there first had to be a vote to take it all as a whole.

M. Upton - That's correct.

B. Moser - I didn't make that motion but I have to do that by law.

M. Upton - You have to make the motion to move the entire warrant as a whole, correct. Now we have to have a vote to agree to do that and you submitted to do that by secret ballot. If everyone agrees to take it as a whole, then we would go straight to a secret ballot.

H. Parkhurst advised there is a motion on the floor.

B. Moser advised he asked for a secret ballot, he has the five signatures.

M. Upton - We have it.

B. Moser - Advised if there has to be a vote to take the whole warrant together, I have another request for a secret ballot, so that's done by secret ballot.

M. Upton - That would be correct.

S. Tedford asked doesn't a secret ballot require the polls to be open for a minimum of one hour?

M. Upton - Only on bonds.

S. Tedford - On bonds, okay.

M. Upton advised B. Moser submitted a petition signed by five people to do so; it's the question about taking the warrant in one piece.

H. Parkhurst advised if they say yes, then the Clerk has the box with the secret ballots in it, yes' and no's.

B. Moser - I turned in a second request also, for this vote you say we've got to take also by secret ballot, so they both have to be done by secret ballot.

M. Upton - Correct.

B. Moser - That's the point.

K. Whippie asked for a point of order; what two votes is he talking about?

H. Parkhurst advised can only have one motion and one Amendment on the floor at a time. We have to deal with one and one and then we'll take up what the result is after that.

H. Parkhurst asked the Clerk to read the motion the way it was written by the petitioner:

James Tetreault read the motion as follows: **The motion is to approve the warrant as is. Motion made by Brian Moser, Seconded by Richard Horton.**

H. Parkhurst - And is there a five signature petition to have that by secret ballot?

James Tetreault read the Petition as follows: **We five residence and registered voters of the town of Winchester, NH request a secret ballot the 10th of February 2011. Signed by Brian Moser, Rick Horton, Trevor Croteau, Hubert Crowell, Richard Kelton to approve the warrant as is.**

H. Parkhurst asked if those five people are here.

J. Tetreault - Yes they are.

H. Parkhurst asked them to stand so we would know they are here.

H. Parkhurst so that's our course of action. Am I correct?

K. Whippie asked couldn't an Amendment be entertained as part of a motion?

M. Upton - If people want to make amendments to the warrant then their option would be to oppose the vote, to vote no on the motion to approve the warrant as presented.

T. Sepe asked that the decision be made that anybody that's on the petition to have a secret vote, not be part of that vote count. It should be somebody else.

H. Parkhurst - You are correct. He asked if Ms. Cushing and Ms. Menard and Mrs. Johnson were on the petition. They advised they weren't and he asked for a fourth person as a counter.

H. Parkhurst - B. Moser and Ms. Sepe would you accept that?

T. Sepe - Yes.

K. Whippie advised the School Board has serious concerns with the budget that was proposed and feel it places the Town at considerable risk for losses in the educational gains that they've made thus far. He would urge everyone to vote against this motion so they can take an Amendment to the article.

H. Parkhurst - And that's in order. Any other discussion?

R. Horton is also on the Budget Committee. He explained that the Budget Committee looked to be smart with the taxpayers' money. He feels the School Board has not been very smart with taxpayers' money.

H. Parkhurst advised we will not allow any disparaging remarks on either side of these tables.

R. Horton apologized.

R. Horton explained some small figures they did see that they felt were a little out of line was the hiring of five SAU staff people. Feels they need to be a little more responsible with this venture moving forward.

B. McGrath explained he was Chairman of the SAU Withdrawal Committee. He is a little disappointed with the direction they seem to be going and is wondering now if they should have stayed as part of Monadnock. Feels some numbers they're hearing now are way too high from what the withdrawal study committee looked at.

Advised he was a little dismayed himself. Feels if the Budget Committee reviewed the figures he's sure they did a good job and are looking in the best interest of the Town. Would support what the Budget Committee came up with.

K. Gardner - Selectman/Budget Rep. to Selectboard - Thinks people need to understand that the budget the School Board is recommending is almost, if not over a \$1,000,000 over last year's appropriation. The actual expenditures last year were over \$10,000,000. Advised the Selectboard met with the local reps recently. The State budget, is approximately \$850,000,000 to \$875,000,000 in deficit. The State is going to make that money up in the next 2-yr budget starting July, 2011 in cuts. The majority of the cuts will come from education aid across the state.

K. Whippie- The School Board has been continuing to work on...

The group advised someone had been waiting to speak. H. Parkhurst let him speak first and advised Mr. McGrath could speak after everyone has had the chance to go through.

Joshua Fedima asked about salaries for five new positions. How were they arrived at and why weren't they posted for the public?

K. Whippie explained the salaries as proposed in the budget draft were our first pass at this and the School Board has continued to work with several of the proposed employees as well as amongst themselves to finalize these things and try to make up some savings. Have reached a Letter of Intent with Mr. Dassau that he would serve as our Superintendent/Special Ed Director. That would save the \$40,000 Special Ed Director's salary that was proposed. He would do so at the salary they proposed for Superintendent. Advised by the time they had to have budget proposals, they couldn't think through all the various permutations and combinations that could come up, but have to make offers to some of the employees to try to secure from the SAU those employees that they felt were the valuable ones that had contributed to Winchester in the past and we have confidence in their ability to continue to do so in the future. SAU 38 is dissolving and there are employees who are nervous about! their future next year and they were putting their resumes out. Those we wanted to get, we had to get early. The other positions are being

advertised.

Joshua Fedima felt that K. Whippie was beating around the bush. Advised he was asking how you came up with the original figure of \$103,000. How much does a Superintendent at another school make?

D. Crisafulli - Advised he went in front of the Board of Ed to propose what the change was going to be. In a similar meeting he met with Selectmen and the Finance Committee and gave them all the information that had been proposed to the Board of Ed. That was the proposal that was approved by the Withdrawal Committee and that was what was sent to them. Since that time in sessions with the Budget Committee they asked if some things could be tweaked. Explained some salaries have been collapsed. Advised his salary next year will be \$75,000 in Hinsdale for 3 days a week.

B. McGrath called for the vote.

M. Upton advised before we take the vote he looked at B. Moser's motion more carefully and you're motion does say to approve; he thought it said to move the warrant as is. It says to approve as is. So you are correct, it would be one vote. Explained if we take a ballot vote on Mr. Moser's motion it will be one vote up or down on the entire warrant. He apologized, thought it said moved, it says approved.

H. Parkhurst advised the Question has been moved.

K. Whippie - Mr. Moderator...

H. Parkhurst - We have to vote to Move the Question. **By Voice Vote; MOTION PASSED.**

S. Tedford advised should be by secret vote.

M. Upton - Moving the question is the motion made by Mr. Moser to approve the warrant as presented or as is. Explained this was just to call the question. The question is now coming forward and now we will vote by ballot.

A citizen asked for clarification that when voting a yes means we want it to stay the way it is and no means we don't?

B. Moser - Yes.

Citizen - Yes means we're going to keep it the way it is.

H. Parkhurst - Yes, Mr. Moser's intent is if you vote yes you want this document you were given tonight to be it. Am I correct?

B. Moser - Yes.

H. Parkhurst - If you do not want this document you will vote no.

H. Parkhurst explained the ballot procedure and the group voted.

Vote by Secret Ballot; Voted 44 – yes to – 53 - no, MOTION FAILED.

The floor re-opened at 8:16 pm.

Gus Ruth wanted the taxpayers to know that is going to be an increase in the tax rate of \$4.60.

K. Whippie - Explained the School Board was working in parallel, we don't have enough time to work everything through the budget process, give everything to the Budget Committee and then let them work through the process. The School Board continued to look at costs and the amount just proposed is \$154,000 less than the amount on your handouts on the MS-27. One of the largest things driving the budget in the Winchester School District is a mandate that he feels is unfunded or underfunded. Nobody on the School Board wants the taxes to skyrocket. If the revenue stream were to be put in jeopardy then the School Board is going to look and see where we need to make the cuts to make up that revenue loss. We'll make those cuts as painful as they may be. Don't have to do that now, don't have to jeopardize the quality of education that we're putting out.

B. Moser advised what K. Whippie just told them was that if the State cuts the aid, then you're going to make those cuts from the budget so it doesn't come from the taxpayers anymore. That's what you said.

K. Whippie - If that happens then we will.

B. Moser - I just wanted that to be on the record.

B. Moser asked if anyone could tell them what the anticipated State cuts are going to be for next year along the lines of Marlow with a 46% possible cut. How can Marlow know what their state cuts are going to be and we don't?

K. Whippie explained the information provided to them from the Business Manager is that our State aid is going to be approximately the \$700,000 figure total that he put in. They have not been informed that they are facing cuts, but we all know it's a possibility. Not voting on possibilities; voting on a spending plan based on information as provided by professionals.

B. Moser asked is the rest of the Board is going to make that same commitment in front of all these people that if State aid is cut that they will cut the money out of the budget as K. Whippie just said he would do.

G. O'Neal explained if the funding is cut we will have to look at defunding programs and those programs will be unfortunately as aids in the school. The reason we've been able to get a lot extra funding back from the State is because we've be able to take kids who would have been in Special Ed and out-placed and bring them back. That means we need to double up on people working with these young people. If we don't do that, we will lose that child and in the future the results we have on the tests will go down. You're going to see less people working at the school, more responsibilities on the instructor's behalf and they'll be able to achieve what they can but not what we want them to.

B. Moser - Advised he was asking for an answer to his question which was a yes or no question. He would like to know if the other members of the Board are prepared to say as Kevan Whippie just said, if State funding is cut that they will find the places to make those cuts.

J. Gile advised she would have to wait and see what the cuts were and they'd have to look at probably some regular ed courses that we'd have to cut, music, art, gym. Don't know where else we could cut it from.

B. Moser - Asked again for an answer yes or no.

W. Hildreth - I don't feel it's a yes or no answer.

C. Duquette - Agreed, doesn't believe it is a yes or no answer. If they have decreased revenues from the State need to do what we have to do. Obviously have defined mandates for children that have special needs. Obviously there's going to be things that we need to look at. I can't say yes or no.

B. Moser - The answer was actually no for everybody except for one, so we'll have to see what Kevan Whippie said. He's the one who said it, as far as I'm concerned the rest I wish they would have said no which would have been the most honest answer.

K. Gardner advised if the amendment passes that's an appropriation of \$11,100,000 or whatever the dollar figure is. They don't have to make any cuts. That appropriation stands. You will make it up in your taxes unless they decide to make some cuts. He wanted people to understand that's an appropriation and they have the right to spend it.

Miriam Johnson commended the School Board and the school for responsibly managing and maintaining funds given over the years. She understands they've been fortunate to have a surplus most years and does support education. She has seen the way that some children were pushed through in the past without adequate education. Feels are prudent in funding this school so children will have the ability to have adequately paid staff and good programs like music, physical education, arts.

M. Johnson asked about page 5, account 1900-1999 - other local sources. Asked how the School Board came up with \$100,000 of other local sources.

K. Whippie - SAU 38 is dissolving; Hinsdale will be 92, Monadnock, 93 and we'll be 94. There will be a number of positions that will be shared between 92 and 94 that would result in one district paying the other for those services. That is most of the \$100,000. The \$10,000 local revenue is a thing that carries along every year. The balance of that is pretty much from SAU transfers.

S. Tedford - Are you still contemplating serving Surry as part of our SAU?

K. Whippie - Surry will not be part of the SAU and we have not decided that yet. We're nearing the point where we have to decide because Surry needs to know for next year. Currently the Town of Surry has no school. All of the children K-12 attend Keene schools and they are all tuitioned. However, they are still required to have an SAU and still require some Superintendent Services, some Special Ed and some Administrative and Business services. Surry has approached us to see if we would be willing to cover those services for them and they would pay in round figures approximately \$42,000 a year. We are still considering it, we haven't ruled it out or made it part of the budget.

S. Tedford noticed on the budget that the fund balance to reduce taxation was over \$454,000 that you turned back in last year. That's about the same amount that you want to increase the current budget and this School Board has been turning in money in the \$300,000, \$400,000 range on a constant basis. He does not agree with having five full time people to run the SAU and thinks the Board is asking the voters of this town for too much money. Feels the people should know that if the tax rate goes up because of funds you anticipate, not getting, that's going to be what it is and they're going to have to deal with it and you're going to have to answer to us next year.

K. Whippie - explained that of the \$450,000 that was returned this year \$200,000 was a bookkeeping change by the auditors which was added to our income after the books closed post June 30th. The School Board had expected to turn back about \$250,000. He explained kids move in and out of district with high priced special ed plans. That leads to a potential budget flux that's very large; it's very hard to predict that far out what that would be.

Elisha Jackson - Wanted to hear the answer to M. Johnson's question regarding the \$90,000 local source increase based on Kevan's response that you have not budgeted for the \$42,000 from Surry or the \$25,000 from Hinsdale.

K. Whippie explained he said the transfers from SAU92 would account for most of it from Hinsdale.

E. Jackson - Then you have budgeted for the Surry position?

K. Whippie - No, we have not.

E. Jackson explained being part of the Budget Committee they have had multiple meetings regarding this. It was discussed that the increases were from the Surry position as well as the Hinsdale position.

K. Whippie - No, we said we were looking at that as a potential \$40,000 of extra revenue; never factored that into revenue projections.

E. Jackson - Where is this additional \$90,000 coming from?

G. O'Neal - The additional money we had came back after the audit we returned back. And the anticipated money talked about at the Budget Committee for Surry, we haven't decided what to do with that. Explained there is no contract with Surry and no certainty that that will go forward.

E. Jackson asked can you please explain the increase in lines 1900-1999 on page 5?

K. Whippie - Mr. O'Connor can confirm what I just said, but it's transfers from SAU92 to 94.

T. O'Connor confirmed the explanation given by Kevan Whippie. There are inter-district transfers for bills for services that will be collected on a local level. The 1900-1990 accounts are local revenues. It does include an estimate of \$42,000 for Surry, however that has to be negotiated and agreed to as any contractual agreement would.

E. Jackson - Thank-you, but my question was that you did budget for that?

K. Whippie - Apparently we did, my memory is not 100% and I don't have all of my notes in front of me.

C. Duquette MOVED the question.

Richard Horton explained he looked back at December 28th Budget Committee notes and read Ken makes a motion to approve \$10,500, Ted seconds it. Advised in playing back the recording, Dr. Crisafulli is heard saying that will work.

H. Parkhurst - Is there a point to their conversation being discussed?

Richard Horton - The point is that Dr. Crisafulli thought \$10,500 would work.

K. Whippie - that was a sidebar and you don't know if that was sarcastic and should never have been in the minutes and I asked that to be removed...

H. Parkhurst feels that should be taken up later in a private session. This is a public session talking about the warrant.

W. Hildreth SECONDED to Move the Question; MOTION PASSED by Voice Vote.

Vote on Amendment to Article 1: After Voice Vote the Moderator asked for a Standing Vote.

Vote on Amendment to Article 1 by Standing Vote: 49 - yes to 32 - no, MOTION PASSED.

K. Whippie MOVED to approve Article 1 as Amended, SECONDED by: G. O'Neal, Voted by Standing Vote : 53 – yes to 30 - no, MOTION PASSED.

C. Duquette MOVED to restrict reconsideration of Article 1; SECONDED by: K. Whippie, MOTION PASSED by Voice Vote.

C. Duquette MOVED to approve Article 2 through 6 as printed; SECONDED by: K. Whippie;

H. Parkhurst reminded everyone that Article 2 and Article 3 cannot be amended.

S. Tedford advised we have a right to change that dollar figure.

M. Upton explained not on collective bargaining agreements. The agreement is reached between the School Board and the Union. If you amend the dollar amount that is no longer an agreement reached between the School Board and the union.

Every other money article you have the right to change the amount.

MOTION PASSED by Voice Vote.

The meeting adjourned at 9:00 am.

Respectfully submitted,
Peggy Higgins
School Board Secretary

<u>Yes: 415</u> No: 101

ARTICLE TWO: Shall the Winchester School District raise and appropriate as an operating budget, not including appropriations by special warrant articles, and other appropriations voted separately, the amounts set forth on the budget posted with the warrant or as amended by vote of the first session, for the purposes set forth therein, totaling \$11,089,128 Should this article be defeated, the default operating budget shall be \$11,112,784, which is the same as last year, with certain adjustments required by previous action of the Winchester School District or by law or the governing body may hold one special meeting, in accordance with RSA 40:13, X and XVI to take up the issue of a revised operating budget only. (Note: this operating budget warrant article does not include appropriations contained in ANY other warrant articles.)

<u>Yes: 264</u> No: 259

ARTICLE THREE: To see if the Winchester School District will vote to approve the cost item included in the collective bargaining agreement reached between the Winchester School Board and the Winchester Teacher’s Association which calls for the following increases in salaries and benefits at the current staffing levels:

Fiscal Year	Estimated Increase
2011-2012	\$37,306
2012-2013	\$57,495
2013-2014	\$71,722

And further to raise and appropriate the sum of \$37,306 for the upcoming fiscal year, such sum representing the additional costs attributable to the increase in salaries and benefits required by the new agreement over those that would be paid at current staffing levels in accordance with the most recent collective bargaining agreement. (NOTE: Pursuant to RSA 273-A:12. If approved, the terms of this collective bargaining agreement, including the pay plan, but excluding cost of living increases, will continue in force and effect until a new agreement is executed.) The school board and the budget committee recommend this appropriation.

<u>Yes: 270</u> No: 249

ARTICLE FOUR: To see if the Winchester School District will vote to approve the cost item included in the collective bargaining agreement reached between the Winchester School Board and the Winchester Support Staff Association which calls for the following increases in salaries and benefits at the current staffing levels;
